# Alma Mater

*We salute thee, Alma Mater, we salute thee with a song,  
At thy feet our loyal hearts their tribute lay;  
We had waited for thy coming in the darkness, waited long,  
Ere the morning star proclaimed thy natal day.*

*Thou hast come through tribulation and thy robe is clean and white,  
Thou art fairer than the summer in its bloom.  
Thou art born unto a kingdom and thy crown is all of light;  
Thou shalt smile away the shadow and the gloom.*

*In thy path the fields shall blossom and the desert shall rejoice,  
In the wilderness a living fountain spring;  
For the blind shall see thy beauty and the deaf shall hear thy voice,  
And the silent tongues their high hosannas sing.*

*Where the rhododendron blushes on the burly mountain's breast,  
In the midland, where the wild deer love to roam;  
Where the water lily slumbers, while the cypress guards its rest,  
Lo, thy sunny land of promise and thy home.*

*Where the sons of Carolina taught a nation to be free,  
And her daughters taught their brothers to be brave;  
O'er a land of peaceful plenty, from the highlands to the sea,  
May thy banner, Alma Mater, ever wave.*

—Richard Tilman Vann, President of Meredith College, 1900–1915

2008-2009

“Environmental activism is alive and well at Meredith. We are serious about our environment and are counting on you to help make a difference, both locally and globally.”

*Maureen A. Hartford, President, Meredith College*

# I Believe...

...that a good life starts here. At Meredith.

Whether you are a first year student or returning as an upperclassman, welcome to a fresh new year at Meredith College. This year will bring tremendous excitement as we celebrate our theme of "Sustaining Our Environment: Developing Our Greenprint." Our plans include numerous theme-related events this year, in which we will welcome internationally renowned speakers to our campus to enhance our examination of environmental issues. As you know, Meredith College's Summer Reading Program selection for 2008 is *An Inconvenient Truth: The Planetary Emergency of Global Warming and What We Can Do About It* by Nobel Laureate and former United States Vice President Al Gore.

Environmental activism is alive and well at Meredith; for many years, we have been aggressive and determined in our efforts to sustain and improve our campus, our community, our nation and our planet. We have:

- continued our campus-wide recycling program
- initiated water conservation measures
- worked together to clean up our campus forest areas
- participated in Focus the Nation
- launched "The Campaign for a Greener Meredith"
- created the College's new Biological Diversity Garden
- provided a permanent home on our campus for a portion of the Raleigh Greenway
- and signed the Talloires Declaration, a ten-point action plan committing institutions to sustainability and environmental literacy in teaching and in practice.

Our first-ever sustainability coordinator will oversee efforts for Meredith's environmental education, energy efficiency, food sustainability and campus-wide involvement in environmental action. And, very importantly, we will seek LEED certification for our student apartments currently under construction.

But there is always more we can do. We are serious about our environment and are counting on you to help make a difference, both locally and globally. Our goal is to help you to prepare for a wonderful future as a reflective, enlightened citizen and as an active and engaged leader in our ever-changing world. I wish you the best of success for this academic year!

President, Meredith College

# student resources

2008-2009

“Students tend to be happier and more successful if they get to know their professors, talk with their faculty advisor, become engaged with campus organizations, and take part in traditions and campus events. This year, try something you have never tried before—in doing so, you will learn about yourself, your peers, and your community here at Meredith. Meredith can help develop you intellectually, socially, physically, spiritually—by vesting yourself in the many resources of the College, you will be getting the most from your Meredith experience.”

*Jean Jackson, '75, Vice President for College Programs*

## Bulletin Boards and Publicity

Bulletin boards in Cate Center provide a communication center where campus offices and organizations post information about programs, projects, and meeting times. Each group using a bulletin board is responsible for posting its own announcements, and each publicity item should be stamped and approved by the Office of Student Activities and Leadership Development. Individuals may use the bulletin boards on the second floor of Cate Center to post information as long as they have the item stamped for approval. To provide adequate space for each group, all announcements should be put up no earlier than one week prior to the event, and all articles must be removed immediately following the program. Unapproved announcements will be removed.

No publicity may be placed on outside doors of residence halls, on the doors of other campus buildings (including the dining hall), on inside or outside walls, or breezeway areas. Each residence hall has a designated bulletin board where flyers pertaining to campus events should be posted. Those bulletin board locations are:

- Brewer—1st floor near south stairwell
- Faircloth—1st floor near north stairwell
- Vann—1st floor near south stairwell
- Stringfield—1st floor near north stairwell
- Barefoot—first floor near south stairwell
- Heilman—Bulletin Board near vending machine
- Poteat—1st floor near parlor

Approval for posting announcements in Cate Center of non-Meredith College events must be secured from the Office of Student Activities and Leadership Development prior to posting. Approval for posting announcements in residence halls must be secured by the residence director in each hall or the director of residence life prior to posting. Unapproved announcements will be removed.

All announcements/flyers must identify the sponsoring organization and/or a contact person. Meredith College reserves the right to deny permission to post publicity from any group that is not in accord with the philosophy of the college.

The cost for both plans is the same.

### Commuter Dining Memberships

Commuter memberships fit the way you live. You get easy access to great food and value for your money when you use a dining membership. Start a membership with as little as \$45. A magnetic strip on the back of your CamCard works with our computer system to identify you as a dining plan member.

Commuter plans have two options - Block Plans and Dining Dollars. Each saves you time and money. Try a combination for the best of both.

10 Meal Block - \$45

25 Meal Block - \$110

**Dining Dollars** - Pay as you go. Dining Dollars work like a bank debit card. Your purchases in the BeeHive Café are subtracted from your account balance.

The campus chapel staff provides guidance for the development of religious programs on the campus as well as a pastoral presence for the campus community.

The ministerial staff serve as advisors to the Meredith Christian Association and in addition offers lectures, programs, small group experiences and counseling opportunities for the campus at large. The chaplain and staff are available to the College community for counseling pertaining to religious questions, religious vocations, and personal problems.

Also, students seeking help in finding a place of worship in the Raleigh community may contact the chapels staff for help. Regardless of one's faith heritage, the chaplain is available to provide help to students as they seek a faith community with which to affiliate. Students may call the office or stop by to talk about local congregations and how to arrange transportation.

Students are invited to visit with the staff and make use of the Jones Chapel Meditation Room and Reading Room, as well as to participate in the community worship services each Wednesday at 10 a.m. in Jones Chapel. Students are encouraged to come by the office to tour the chapel and to inquire about programs being offered.

## Religious Environment

Meredith College seeks to maintain an environment that is supportive of all faiths and ideals and which fosters personal integrity, intellectual freedom, and academic excellence. Baptists bring a tradition of religious freedom with respect for different belief systems and of personal freedom of the individual to be responsible in matters of faith. In shaping the religious environment at Meredith, the College seeks to support the freedom of each student to choose her own faith, and also seeks to foster an environment in which these different religious perspectives are supportive and respectful of the resulting diversity. Meredith welcomes those religious traditions that share this appreciation of diversity, affirm the freedom of the individual, and support the College experience. Meredith College offers opportunities for spiritual growth to its students as an integral part of the life of the campus. Many of those options are offered through the work of the chaplain and the Meredith Christian Association.

Up-to-date bulletin boards are located near the lounge and study areas for information pertinent to campus life. ## Disability Services

760-8427

Disability counselors in the Counseling Center provide, arrange, and coordinate accommodations for students in courses, programs, services, activities, and facilities. The staff maintains disability-related documents, certifies eligibility for services, determines reasonable accommodations and develops plans for the provision of such accommodations for students with disabilities.

Meredith College's goal is to create an accessible community in which people are judged on their abilities, not their disabilities. The staff strives to provide individuals with the tools by which they can better accomplish their educational goals.

In post-secondary settings, it is the student's responsibility to request accommodations, if desired. It is important to remember that not every student with a disability needs an accommodation. It is equally important to remember that even though two individuals may have the same disability, they may not need the same accommodations.

Most library materials are loaned to students for a three-week period and may be renewed twice provided they have not been requested by someone else. Laser discs circulate for three days only.

The following materials may not be taken from the library building: reference books, periodicals, 16mm films, records and CDs. Most videos and DVDs also remain in the library, although we have a small collection of popular movies and TV shows on video and DVD that may be checked out. Exceptions are made for students doing class presentations and for student teachers. Inquiries should be made with the Circulation staff.

Reserve materials may be checked out from the circulation desk. Faculty specifies one of the following types of reserve for each item:

**Strict**—Three hours in-library use only (check-out limit: four items)

**Overnight**—checked out overnight and due 1 1/2 hours after the library opens the next day (check-out limit: two items)

**Three-day**—to be returned within a three-day period (check-out limit: two items)

Reserve materials are checked out on a first-come,

first-served basis and cannot be placed on hold.

**Note:** Videos on reserve always have a "strict" circulation period.

Students are responsible for the payment of fines for overdue items, including reserve materials, and for replacement costs of lost items. The fine is ten cents per day for most items, fifty cents per hour for reserve materials, \$10 per day for laptop computers, and \$1 per day for circulating videos and DVDs. The residence life staff includes the director of residence life, residence life assistant, residence directors, resident assistants, and residence hall presidents.

### Residence Directors

## Volunteer Community Services

*TBA, Coordinator, 760-8357*

Volunteer Community Services offers service and learning opportunities and events for all members of the College committed to affecting change through their humanitarian contributions and civic engagement activities within the local community, the state, the nation, and the world. Through advocacy and meaningful service experiences students, faculty, and staff learn about themselves, those with whom they work, and the dynamics of the world in which they live.

A student may make a commitment to a community service organization, participate through IMPACT-MC in a focused MeredithServes project or service event on campus or in the community, serve throughout the year as a MeredithREADS Volunteer at a partner school site, create her own service project, or volunteer for a service trip. These service experiences support the College Mission, help create an engaged campus, challenge students to be active learners, and encourage the growth and development of responsible citizenship.

To volunteer with IMPACT-MC or for more detailed information on service opportunities, contact the Volunteer Services Director, 760-8357.

# student opportunities

There are over 90 organizations and clubs on Meredith's campus offering a variety of opportunities for participation and leadership, and addressing most students' interests, i.e., academics, politics, honors, service, religion, and professions. In order to be a member of a Meredith College student organization and to hold office, a student must currently be enrolled in at least one credit hour at Meredith College. Constitutions of all organizations are maintained in the Office of Student Activities and Leadership Development. Full privileges of an official Meredith student organization include an organizational account, access to reserving space on campus, an email account, a roster list, participation in the activities fairs, and access to all services related to publicity on campus. Students who are interested in starting a new organization at Meredith should speak to the SGA Senate chair or visit the Office of Student Activities and Leadership Development to obtain a copy of the Guidelines and Procedures for Establishing New Organizations at Meredith.

# Student Government Association

As early as 1905, Meredith took an important step forward when it introduced student government, apparently the first college in the state to do so, and one of the first in the South (Mary Lynch Johnson, *A History of Meredith College*). Since that time Meredith students have held an integral role in the shaping of the policies, philosophy, and tradition of the college.

Executive, legislative, and judicial branches comprise the basic structure of the current Student Government Association, with numerous boards and committees completing the structure.

The purpose of the association shall be to promote, in cooperation with the administration, the general welfare of the student body; to promote by example and precept scholarship, citizenship, and integrity; to act as a liaison among students, alumnae, faculty, staff, administrators, and trustees; to serve as the official advocate of the students; to receive and investigate student grievances; and to encourage students to become active participants in self-governance. See the Constitution of the Student Government Association and By-Laws for detailed information.

All Meredith undergraduate students are members of the Student Government Association and are encouraged to become involved in all its functions. Student involvement is crucial to the effective governance of the campus and vital to the educational process of each student. Each student has a voice in this government through participation in the election of officers, interaction with their class representatives on each branch of the government, self-involvement in the various branches, and an open-communication policy with student government officers. Opportunities for student leadership and involvement are open to all students through campus elections and membership on numerous boards and committees. The elections schedule is printed in this calendar, and detailed information about positions and elections is included in the Constitution of the Student Government Association and By-Laws.

The SGA office is located on the second floor of the Cate Center, and the phone number is 760-2248. [sga@meredith.edu](mailto:sga@meredith.edu)

The staff of each publication is further guided by a constitution approved by the Student Government Association (SGA) Senate.

Editorial staffs maintain professional standards of journalistic integrity, social responsibility and ethics. They obey copyright laws. Extensive theatre experience is not required to work with Meredith Ensemble, but plan to work hard, make friends, learn, and have fun. Actors, singers, and dancers come to open auditions for mainstage and studio productions. Backstage production staff can stage manage or help with sets, properties, costumes and makeup, lighting and sound, the box office, or publicity. You may choose to receive credit for your involvement associated with productions by registering for a theatre practicum. See the theatre faculty or visit our web site for details.

## **Traditions and Annual Events**

### ***Alice in Wonderland***

### ***Awards Presentations***

Each year as the spring semester comes to a close, Meredith celebrates the achievements of its outstanding women at an annual Academic and Leadership Awards program. College-wide academic and leadership awards are presented to many outstanding students.

In addition, many departments and schools host awards ceremonies scheduled during the second

semester. A number of those events, as well as the Undergraduate Research Conference, are held on a day of "Celebrating Student Achievement," a tradition begun in 2003 through the cooperation of the Divisions of Academic and College Programs.

## Bathtub Ring

Three members of the Class of 1970—Betty King, Ayn Sullivan, and Peggy Timmerman—founded The Bathtub Ring singing group in the spring of 1968 and first performed for Phi Luau during Rush Week. Their blend of rebellion against and honoring of Meredith traditions has made The Bathtub Ring a perennial favorite at Cornhuskin' and other campus events. Membership is by audition, and selections are made by The Bathtub Ring from Phis who are members of even-year classes.

The Bathtub Ring members of the Class of 2010 are Sherri Alston, Meghan Laurin, Christina Emerson, Carol Boiter, and Christin Kubasko. They will be followed by members of the Class of 2012.

## Big Sister-Little Sister Classes

The Big Sister-Little Sister program forms lasting relationships that help underclass students adjust to College life. Freshmen may choose to be assigned a junior to be her "big sister" until the upperclass student graduates. Throughout the year, sister classes participate in events such as ice cream socials, skating parties, pizza parties, and class serenades. The culmination of the two classes' years together is Class Day on which the members of the sophomore class honor their big sisters. (See also Odd and Even Classes and Class Day Activities).

## Black Emphasis Month

The views and interests of the African-American community are highlighted during the celebration of Black Emphasis Month in February. The purpose of the month's activities is to emphasize the cultural and historical contributions of African-Americans to the US and abroad.

## Bonfire

After the senior picnic at a grudge bonfire, each senior burns any article representing what she has most disliked at Meredith. Her memories of Meredith are, as a result, only supposed to be pleasant ones.

## Class Colors

The colors of all odd classes are blue and white until their junior year when they adopt rainbow colors. Leap year classes' colors are purple and gold. Even classes use green and white.

## Class Day Activities

Sophomores honor their senior big sisters, and the seniors highlight their College years during the Saturday of Commencement Week.

The little sisters spend the morning constructing two 75–100 foot daisy chains to be used for the afternoon's Class Day exercises in the amphitheater. The white-clad sophomores hold two daisy chains and sing as their sister class marches through the chains. Class historians recall and depict key events of the graduating class' four years at Meredith. The sophomore and alumnae sister classes sing traditional songs to the seniors. The members of the odd year classes wear black gloves on their left hands and give their little sisters wish bone charms for luck. The even classes give their little sisters bags of sticks and stones "to protect them from the Odd Spirit's bones."

At the conclusion of Class Day, the chains form the class numerals of the graduating class. The seniors then go onto the island, form a circle, and celebrate with their classmates.

## Class Events and Activities

Each class participates in a variety of annual events. Senior events include a celebration night of the days remaining until graduation based on the class's graduation year, a senior picnic, and baccalaureate. Seniors also have the privilege of painting the tunnel below Wade Avenue each year. In the fall, the junior class sponsors a Ring Dinner. At the dinner, juniors celebrate the wearing of their class rings. The sophomores sponsor a Guardian Angel Dance in the fall and Tea for Two in the spring as well as a Charming Evening. Freshmen participate in the Fire and Water Dinner in April. Each class may participate in car raids throughout the year. Class presidents are asked to call Campus Police at least one week in advance to inform them of the times for car raids.

## Class Ring

The Meredith Class Ring was created in 1953, and the designer of the ring was Ann Lovell, '54. The ring is an oval onyx ring surrounded by silver or gold with the Meredith seal engraved on the onyx and oak leaves impressed on the band. As an undergraduate, a student wears the ring on her finger with the seal pointing toward her. At graduation she turns the ring around so that the seal "faces the world." Degree-seeking undergraduate students who have completed 60 hours of coursework (typically the first semester of the junior year) are eligible to purchase the ring. Sales are coordinated by the Meredith Supply Store.

## College Colors

The Meredith College official colors are maroon and white.

## College Flower

The Meredith College official flower is the iris. Loleta Kenan Powell, '41, developed the "Meredith Hues" iris planted around the fountain, near the Cate Center, near the Alumnae House and at other locations around campus.

## Cornhuskin'

In the fall, each class presents for competition a skit word parade, a tall tale, songs and a hog-calling skit, all of which are related thematically. The four classes are judged on these performances as well as on apple-bobbing, cornhuskin', can art, class attendance and sweatshirt design. WINGS students and faculty also participate in the night of fun. The Meredith Pride Spirit stick is given by MRA to the most spirited class. All of these activities comprise the official Cornhuskin' festivities. Additional activities scheduled throughout the week include Big Sis/Lil' Sis Bonfire, Scavenger Hunt, the President's Raid, hall raids, and Cornhuskin' parade. Cornhuskin' is sponsored by the Meredith Recreation Association and usually occurs during the first week in November. Cornhuskin' rules are available in the Office of Student Activities and Leadership Development.

## The Crook

Each spring the seniors hide a wooden crook from the juniors. The juniors, aided by enigmatic clues, spend a week searching the campus for this stick and very rarely find it.

If the crook is found, it is brought into Class Day with a black ribbon. If it is not found, the crook is brought into Class Day with a ribbon of the Senior class colors. Crook Hunt rules are available in the Office of Student Activities and Leadership Development.

The event was begun in 1906 when the crook was presented by an instructor to the seniors. This elaborate hide-and-seek has been staged annually since it was revived in 1929.

## Founders' Day

Each year, a day is set aside for Meredith to honor its founding on February 27, 1891. Founders' Day is marked by a convocation address and remembrance of Thomas Meredith, Baptist leader and advocate for women's education. The College's name was changed in 1909 from Baptist University for Women (Baptist Female University, 1891-1904) to honor his work in founding the College.

## Meredith Mascot

During the fall semester of 2007, the College launched the Avenging Angels as the official Meredith athletic mascot, following the year long work of a committee representing all parts of the Meredith community.

## Odd and Even Classes

The four classes are divided into odd-numbered and even-numbered years. "Them Bones" is the song of the odd-numbered year and "Hail to the Even Spirit" is the song of the even-numbered year. On Class Day, members of the odd classes wear black gloves on their left hands and give their little sisters wish bone charms to wish them luck. The even classes give their little sisters bags of sticks and stones "to protect them from the Odd Spirit's bone."

## The Oddballs

The Oddballs is a spirit group that consists of four very enthusiastic students in an odd class. To be an oddball, a student must be a member of an odd class and then audition at the end of her sophomore year when try-outs are held. Upon being selected as an Oddball member, a student will be inducted into oddball status at the following Class Day, held the day before graduation. The Oddballs entertain, if asked to do so, by doing cheers and other amusing stunts at Cornhuskin' and other special events.

## Spring Fling

The Meredith Entertainment Association sponsors Spring Fling each spring. Spring Fling is traditionally on Meredith's front lawn and includes a band, amusements, and food.

## Spring Formal Dance

The freshman, sophomore, and junior classes sponsor a formal dance in the spring in honor of the senior class. Seniors attend the dance free of charge. All students are welcome.

## Stunt

The Meredith Recreation Association (MRA) has sponsored this event of class rivalry since 1915, its form changing from original plays to a variety of recreational competitions. Stunt promotes class unity through class competition, creativity, and fun. Points are awarded for each event and are used in determining the overall winner of Stunt. Recent events in Stunt have included bat spin, tug of war, lip sync, balloon toss, limbo, egg toss, sponge toss, and a three-legged race. The event usually occurs in mid-April. Rules for Stunt are available in the Office of Student Activities and Leadership Development.

## White Iris Ball

The Meredith Entertainment Association sponsors a semi-formal dance each fall for all students. The White Iris Ball is held at an off-campus site.

# security, safety, and emergency procedures

## Security—Shared Responsibility

Although the College takes seriously the need to provide a campus that is as safe as possible, each student must assume the responsibility for her own personal safety. No environment can be assumed to be totally safe, so each person must be constantly alert to her own safety and that of her peers.

The best defense is a good offense. To increase personal safety and security, students are advised to take the following precautions:

- Be aware of your surroundings. Avoid dark areas and look for and report suspicious activity.
- Avoid walking alone to and from the outer parking lots after dark.
- Travel with a companion whenever possible.
- Resident students should keep their doors locked while not in their rooms.
- Lock doors to cars, residence hall rooms, etc. Close and lock ground level windows. Do not leave the outer doors to residence halls propped open.
- If you decide to go out alone with a casual acquaintance, make sure to know that person's identity. You should also tell a friend where you are going and who will be accompanying you.
- Avoid parties where drugs or excessive use of alcohol is obvious.
- Set limits and communicate them clearly. Understand your right to say "No!" at any time and have that decision respected and obeyed.

## Campus Closing Hours

Campus closing hours are 1 a.m. Sunday through Thursday, and 2 a.m. Friday and Saturday. As an

additional security measure, Meredith is closed to the public at 10 p.m. daily. At this time all cars entering the campus must stop at the gatehouse. Only those cars with justifiable reasons may continue onto campus.

For resident students and students entering campus after 10 p.m. each night:

- Meredith students present Meredith ID or driver's license to security at the gate house. Students are encouraged never to leave campus without their Meredith ID. Any student returning to campus after hours without her Meredith ID will be fined \$5.
- Persons other than Meredith students must present their drivers' license, which will be retained by campus police until they leave campus. No one will be allowed to enter campus without proper identification.
- Cars proceed to appropriate designated campus location.
- If the driver of the car is a Meredith student, she proceeds to her designated parking lot.
- If the driver is not a Meredith student, s/he proceeds to the residence hall of the Meredith student(s); drops off passenger(s); returns immediately to gatehouse to reclaim ID; exits campus.
- Meredith student(s) proceed(s) to the entry door of the residence hall.
- The Faircloth gate will be locked nightly at 10 p.m. and opened at 6:45 a.m. During holidays and other specified times, the Faircloth Gate may be locked earlier in the day or remain locked all day.

All campus classroom buildings will normally be opened at 7 a.m. and locked at 11 p.m., during school periods. At 11 p.m., a Meredith student who

## Campus Emergency Procedures

- Call Campus Police by dialing 8888 on a campus phone (or 760-8888 on a private phone).
- Residents also should call their resident director or the residence director on duty. The RD on duty can be reached at 612-6350. Call Campus Police at 8888 if there is no answer.
- Campus police and security officers are trained in first responder care. Medical emergencies should be reported to Campus Police (8888) immediately.
- If at any time you believe it is necessary to call for the Emergency Medical Service, call the Campus Police (8888), so they can direct EMS to the site of the emergency. The person receiving the services of EMS will be responsible for all fees charged.

is in a classroom building may remain there if she has her Meredith ID in her possession, reports her specific location to Campus Police (8888), and is accompanied by another Meredith student at all times. (All students are encouraged to work with a partner anytime they are in a classroom building after dark—including the 24-hour computer lab in Joyner.)

It is the student's responsibility to ensure that any door she exits locks behind her.

This schedule applies only during the regular academic calendar (holidays excluded) and does not include the swimming pool or the library. Check at those locations for current hours.

- Johnson Hall is open at 7 a.m. and locked most evenings at 6 p.m.
- The Faircloth Gate is opened at 6:45 a.m. and locked each evening at 10 p.m. During holidays and other specified times, the Faircloth Gate may be locked earlier in the day.
- Residence halls are locked 24 hours daily. Access is by Meredith CamCard at specified doors. Check the College calendar for special lockup times related to holidays.

Students may only enter and exit residence halls via doors with CamCard readers.

## Card Access to Residence Halls

In an effort to provide as secure a living environment as possible, all residence halls are locked 24 hours daily. Students access the building through specially-equipped doors using their CamCards. Students must exercise utmost care to protect their CamCards and immediately report any lost or stolen card to the CamCard office. Students pulling on doors in order to gain entry and breaking the lock will be subject to judicial action. Check the College calendar for special lockup times related to holidays.

**Important—Please Note:** Any student returning to campus after hours without her Meredith ID will be fined \$5. She will have 72 hours in which to appeal her fine to security before the charge is forwarded to the Accounting Office.

## Minor Illness or Injury to Students

During the regular academic year, students with minor illness or injuries should be referred to the Health Center, 8535.

Illness or injury to resident students during hours when the Health Center is closed should be reported to the resident director or resident director on duty. If a resident director cannot be located, notify the campus police department of the student's illness or injury.

# Emergency Notification Systems

Meredith College has several methods to notify students, faculty and staff in the event of an emergency.

## Emergency Notification through Voicemail, Email and Text Messaging

In the spring of 2008, Meredith College launched MC Alert for rapid emergency notification. This system allows Meredith to convey time-sensitive information within minutes, through a single phone call.

With MC Alert, Meredith can schedule, send and track personalized voicemail, email and text messages for all members of their community. These messages are sent via four different modes of communication:

- Voice messages to home, work and/or cell phones
- Text messages to cell phones, PDAs and other text-based devices
- Written messages to e-mail accounts
- Messages to receiving devices for the hearing impaired.

## Campus Alarm Warning System

Meredith has a siren warning system that allows the College to issue warnings for incidents involving safety and security issues. This system has both alarm and voice warning capability.

# Theft of Personal Property

Students who experience a theft or loss of personal property should alert Campus Police as soon as

possible. Meredith is not responsible for the personal property of students. Families are encouraged to make sure that homeowner's insurance policies cover the student's residence hall property. If a student has evidence that another student is responsible for the theft, she should alert the campus police and solicitor general of the Honor Council.

# Snowstorm Safety

Use common sense when enjoying the snowfall, and consider your own safety and that of others.

1. Stay away from windows and doors in the event of high winds and falling limbs.
2. Do not attempt to drive on campus.
3. Listen to the radio or TV regarding the closing of classes, or call the Meredith inclement weather

- number, 832-8878.
4. In case of power failure, see your residence life staff for instructions.

## Fire Emergency Procedures

### In case of fire:

#### *If YOU discover the fire:*

- Activate the nearest alarm.
- Get out of the building immediately if fire is threatening.
- Alert Campus Police at 8888. Also alert residence director for a residence hall fire.
- If it is a small fire, use a fire extinguisher.
- If it is a large fire, exit the building.
- Before leaving a room, check the doorknob to see if it is hot. If hot, do not open; go to the window and wait for the firefighters to rescue. Do not try to jump or climb down. (With the door closed, you are not in immediate danger).
- If smoke is beginning to fill the hallway as you evacuate, grab something to help filter the smoke. If you get caught in heavy smoke, crawl to the nearest exit.
- If fire blocks your nearest exit, go immediately to the next closest exit.
- When evacuating a residence hall, meet the resident assistant at the evacuation meeting point.

### During a fire drill:

#### *Students*

- Close windows.
- Turn off all lights except overhead.
- Close door when leaving room.
- Walk rapidly (do not run) out of the building. The first person to reach the door should hold it open for others.
- When evacuating a residence hall, meet the resident assistant at the evacuation meeting place. Line up as directed.
- Wait for the signal to return.

*Please Note: Students should be aware that it is against the law to activate a fire alarm when there is no fire.*

### Information for resident students regarding procedures during fire drills or real fires:

#### *Residence Hall Association*

- Coordinates check of fire alarm equipment with the director of residence life and campus police during the first week of school.
- Designates the date and time for the drill (first drill must be held during the first two weeks of each

- semester) and announces it at the regular meeting of the Executive Board.
- Explains procedure to the residence hall presidents.
  - Informs security, RD on duty, nurse in the Health Center, and dining hall manager (if drill is close to dining hall hours) prior to the fire drill.
  - Informs the director of residence life of the fire drill.
  - Designates outside evacuation meeting places for each hall to line up in single-file line.

#### *Residence Hall Presidents*

- Conduct fire procedures training for resident assistants, fire marshals, and residence directors.
- Locate fire alarms for the residence hall; know how to operate them and check to make sure they are working correctly (check with the Residence Hall Association chair). Check fire extinguishers on each hall of the residence halls periodically to see that they are functional.
- Inform residence director of the date and time of the drill.
- Make sure resident assistants have chosen fire marshal suites.
- Inform the hall of designated outside evacuation meeting place for hall residents to line up in single-file.
- Sound alarm at the designated time and move to designated evacuation meeting place.
- Receive reports from resident assistants.
- Relay any necessary information to residence directors, security, and firefighters.
- In a fire drill, at the signal of the Residence Hall Association chair, deactivate the alarm to signal the end of the drill.

#### *Fire Marshal*

- Check rooms to make sure all students are out and make note of any locked doors.
- Knock on locked doors and remove their card.
- Close windows and turn off overhead lights in each room.
- Close doors to each room.
- Go directly to the resident assistant and report that all rooms are clear and give her the cards pulled from doors.

#### *Resident Assistants*

- Move quickly to the evacuation meeting point.
- Receive reports from fire marshals and account for all students on the hall using hall roster.
- Report to the residence hall president evacuation times and problems (in real fire, i.e., the possibility of students still in building, etc.). Remain at the assigned position until instructed to return to the residence hall.

#### *Residence Hall Association Chair*

- Records the time of each residence hall's departure.
- Receives reports from the residence hall presidents regarding evacuation after the fire drill.

- Keeps careful records of all fire drills and forwards copies of these records to the director of residence life.

### **Fire Alarm System Policies**

Students should be aware that it is against the law to activate a fire alarm when there is no fire. It is also against the law to tamper with fire safety equipment.

### **Fire Drill Policy**

Fire drills are held frequently for the safety of all students. Any student who does not leave the residence hall during a fire drill will be subject to a maximum penalty of \$50. Repeated failure to cooperate in the fire drill procedures will result in judicial action.

## **Hurricane Safety**

Unlike a tornado, a hurricane usually allows adequate warning of a strike, and you can adequately prepare to evacuate or secure belongings.

1. Cooperate with staff and Campus Police. They will direct you.
2. Have a battery-operated radio available to listen to for information regarding the storm.
3. Keep windows and doors closed.
4. Unless otherwise instructed, stay inside the residence hall.
5. Move to the first floor if necessary.
6. See your residence hall staff for further instructions.

## **Tornado Emergency Procedures**

Campus police and the dean of students have weather alert radios that emit an audible signal if the national weather bureau has issued a warning for our immediate area. Staff members will sound the alarm for an alert.

A tornado watch means tornados are possible. A tornado warning means that a tornado has been sighted in the warning area.

### **If a tornado watch is issued,**

*prepare to protect yourself:*

1. Keep the radio or TV tuned to weather announcements.
2. Keep a flashlight nearby in case the power goes out.
3. Be alert for changes in the weather.
4. Be prepared to move to a safe shelter.
5. See your residence hall staff for further instructions.

### **If a tornado warning is issued,**

*or if you see or hear a tornado coming, don't wait:*

1. Proceed quickly and quietly to the first floor hall way, a safe area. THEN STAY INSIDE!
2. Make sure all first floor doors are closed for safety.
3. When in a safe area, crouch on your knees, head down, and cover your head with your arms.
4. Stay out of large glassed areas and away from windows.
5. Cooperate and accept direction from staff and campus police.
6. See your residence hall staff for further instructions.

### **Know these tornado danger signs:**

**Bad Thunderstorm:** thunder, lightning, hard rain, strong winds.

**Hail:** bullets of ice from a dark, cloudy sky.

**Funnel:** a dark, spinning rope or column from the sky to the ground.

# academic information

Meredith's curriculum begins with an innovative general education program that gives every student a firm foundation in interdisciplinary study, world citizenship and scholarly research. To build upon that base, Meredith students may choose from more than 60 majors and concentration. This section offers an overview of academic life at Meredith. For more details, contact the Office of the Vice President for Academic Programs, or consult your undergraduate or graduate catalog.

Academic Probation/Suspension

To continue enrollment at Meredith, students are expected to maintain satisfactory progress toward graduation. Satisfactory progress means maintaining at least the minimal expected quality point ratio or grade point average (QPR or GPA). A student is considered to be making minimal progress if she has earned at the end of any semester the appropriate quality point ratio indicated below:

Total Hours Attempted	Minimum Expected Meredith QPR
1-16	1.500
17-25	1.700
26-59	1.800
60-89	1.900
90 and above	2.000

If a student fails to achieve minimum progress, she will be placed on academic probation for the following semester. A student on academic probation who does not meet the minimum QPR (GPA) at the conclusion of the spring semester will be suspended for the following fall semester (See College Catalogue for further information).

Advisors, Academic

760-8059

Each incoming degree-seeking student is assigned a faculty advisor to aid her with academic concerns, scheduling, and registration. Throughout her college career, any student may consult the Office of Academic Advising for advice and counsel in addition to that given by her faculty advisors. The Office of Academic Advising is located in Park Center.

Academic advisors meet with students individually and in groups to assist students in their consideration or clarification of educational goals. Each student is ultimately responsible, however, for her own choices and academic pursuits.

Advisors, Student

Freshman student advisors are upper-class women who have been selected and trained to assist freshmen in working through transitional issues that they may encounter as a new student, particularly during the first few weeks of school. Transfer student ambassadors assist new transfer students. Student advisors must have a 2.4 GPA and must receive permission from the co-director for FYE to concurrently hold a major office. Students with concerns about their student advisors and students who are interested in becoming student advisors are encouraged to contact the co-directors of first year experience, whose office is on the second floor of Park Center. The two

chief student advisors (one for freshmen and one for transfer students) are selected through an application process to lead the student advisor team. Application deadlines for student advising positions are listed in the Student Activities Calendar. During the 2008-09 year, Natalie Braswell is the chief freshman student advisor, and Cha'veya Watkins is the chief transfer student ambassador.

Class Attendance

Each student is expected to be regular and prompt in her attendance at all classes, conferences, and other academic appointments. Regular attendance is vital for the student, the professor, and her classmates to benefit from sharing and thinking in the classroom. Each student must accept full responsibility for class preparation, announcements, and assignments missed because of absence.

The student is responsible for contacting her professors regarding any absence. The faculty will be notified by the Office of the Dean of Students in the event of a death in the student's immediate family (parents, spouse, siblings, children) or the hospitalization of a student.

*The effect of class attendance on the grade will be clearly specified in writing by each instructor at the beginning of the course.*

Classification

Students are classified according to the following number of credit hours:

Freshman	1-25 hours credit
Sophomore	26-59 hours credit
Junior	60-89 hours credit
Senior	90-above hours credit

Committees with Student Representation

Many academic departments at Meredith have advisory committees that include students in their membership. Also, a majority of College standing committees have student members.

Cooperating Raleigh Colleges

Jenny Spiker, Director, 760-8538

Meredith College, North Carolina State University, Peace College, Shaw University and Saint Augustine's College form a consortium through which they provide their collective educational resources to students at each of the five institutions. A student who wishes to register for a course at one of the Cooperating Raleigh Colleges should consult the Office of the Registrar for procedure.

## Exams

If a student's semester exam schedule includes more than two exams within a 24-hour period, she may request to reschedule the third exam. For more information, see page 9.

## Experiential Learning

Through the Cooperative Education and internship programs at Meredith, a student can try one or more work environments before graduating. This experience allows her to learn more about herself and work, to assess a career-related application of her major and predict if she will enjoy it, and to determine for herself additional courses or skills that she may need to achieve her career goals. Cooperative Education is coordinated through the Meredith Career Center. Internships are administered through academic departments. For further information, contact your academic advisor or the Career Center (760-8341).

## Grade Point Average

Each student has her grade averaged in two ways: a Meredith average and an overall average. Each semester hour with a grade of A carries four quality points; B, three; C, two; D, one; F, none. The grade point average or quality point average is calculated by dividing the number of quality points earned by the number of semester hours attempted, whether passed or not. A course that is repeated does not count toward additional hours attempted in calculating the quality point ratio. (Also, see Academic Probation/ Suspension)

## Grading System

Each course receives one official semester grade, an evaluation of the entire work of the student during the semester. A grade report is made available to the student or to another person designated by the student. For further information on the grading system see "Grading System" in the College Catalogue.

## Graduate and Professional Studies

*Marisa Campbell, Director, Paralegal Program,  
760-8354*

*Sylvia Horton, Graduate Admissions, 760-8738*

**The Paralegal Program** is an American Bar Association approved and North Carolina State Bar qualified professional certificate program for women and men who have previously earned a bachelor's degree in any discipline. The program can be completed in two semesters in the evening. Call 760-2855, e-mail [paralegal@meredith.edu](mailto:paralegal@meredith.edu), or visit [www.meredith.edu/legal](http://www.meredith.edu/legal)

**Graduate programs** for men and women are coordinated through the John E. Weems Graduate School. A Master of Business Administration is offered by the School of Business. The School of Education, Health, and Human Sciences offers a Master of Education with a concentrations in elementary education, reading, and English as a second language as well as licensure options in English as a Second Language (ESL) and reading. The Master of Science in Nutrition and post-baccalaureate Dietetic Internship are also offered through the School of Education, Health, and Human Sciences.

To receive information on these programs, call (919) 760-8423 or e-mail [graduate@meredith.edu](mailto:graduate@meredith.edu), specifying which program brochure you would like to receive.

## Honors Program

The Honors Program offers to the intellectually gifted and ambitious student a number of special opportunities to develop academically to her full potential. Each year, approximately 25 entering students are invited to participate in the Honors Program. Additional students with outstanding academic performance in their first semester at Meredith are invited to join the program at the beginning of their second semester. The honors curriculum spans the four-year undergraduate experience and is well integrated into the entire academic program.

Benefits of Honors include a learning community of students who share goals and interests, use of the Honors Lounge, access to special Honors classes and speakers, opportunities to attend state and national conferences, as well as local cultural events and an annual Honors Weekend trip, and recognition on the transcript and at graduation.

A student is expected to take honors work each year. She would typically take at least two honors classes during the freshman year, including the honors writing course, an honors lab science, and perhaps an honors colloquium. Honors students must maintain a minimum overall grade point average of 3.25.

Interested students (including transfer and 23+ students) are invited to express their interest to the Honors director, Dr. Beth Mulvaney, by writing [honors@meredith.edu](mailto:honors@meredith.edu). For more information, visit [www.meredith.edu/honors](http://www.meredith.edu/honors).

## Learning Center

The Learning Center provides free, one-on-one tutoring to currently-enrolled Meredith students. The tutors are Meredith students who have excelled in their coursework and have been trained to assist their peers. We specialize in tutoring mathematics, grammar and writing for all subjects. Help in other

subjects vary by semester. Check our Web site for our offerings and hours. To make an appointment, visit [www.meredith.edu/learn](http://www.meredith.edu/learn) and click "Appointments." The Learning Center is located at 122 Jones Hall.

---

## Leave of Absence

A currently enrolled student may request from the registrar a leave of absence for up to one year without having to apply for readmission as long as she is in good academic, social, and financial standing at Meredith. See the College Catalogue.

Except in an emergency situation, the leave of absence must be requested in writing prior to departure from the College and no later than the last day of classes if a student does not plan to complete the semester. If a student should decide to take college work elsewhere while on leave, she must apply for visitation credit through the Office of the Registrar at Meredith. A student on leave of absence who does not re-enroll within the allotted leave time will be officially withdrawn from the College. After any withdrawal or noncompliance with the leave policy, a student must follow the readmission procedure described in this section of the Handbook.

A student is in good academic standing if she will not be on academic probation at the end of the term in which she applies for the leave of absence. She is in good social standing if she is not on social probation and if there is no Honor Council case pending that would involve probation, suspension, or expulsion. To be in good financial standing, a student must have paid all tuition, fees, and other charges in the accounting office, and returns her laptop.

## Opportunities for Academic Enrichment

In building the total program of study, many students take advantage of one or more of the special opportunities listed below to pursue specific academic interests. These opportunities afford a variety of learning experiences. Contact information can be found in the College Catalogue.

**Capital City Semester**, program of intensive seminars in North Carolina government and politics.

**Cooperating Raleigh Colleges**, Meredith belongs to the CRC consortium with the other Raleigh colleges: North Carolina State University, Peace College, Saint Augustine's College, and Shaw University. While enrolled at Meredith, a student may take classes at any of these other institutions.

**Marymount Manhattan College**, opportunity for study in New York City.

**Meredith Study Abroad**, a summer session abroad offering up to a full semester of credit for approximately the same price as attending Meredith for a semester including transportation costs.

**Overseas Travel/Study Abroad Programs**, arranged within departments and in consultation with the director of study abroad.

**Special Studies**, may be proposed by students or faculty in all departments.

**Independent Study**, involves a minimum of guidance and truly autonomous study, e.g., biology or chemistry lab research.

**Directed Individual Study**, study planned with guidance of instructor, e.g., historical research.

**Group Studies**, special topic course not already in the curriculum, e.g., Women's Studies.

**Community Internship**, field experience with supervision, e.g., interior decorating, graphic design, hospital work.

**Service Learning**, service experience with an academic component and reflection.

**United Nations Semester at Drew University**, classes in Madison, NJ, and observation seminar sessions at the United Nations.

**Undergraduate Research Program**, one-on-one study and research with a Meredith faculty member.

**Washington Semester at American University**, study and research on the federal government level in Washington, DC.

## Plagiarism

Plagiarism is the dishonest use as one's own of another's words, thoughts, ideas, or organization. Honest work in no way precludes using another's work; it simply requires that in all instances such use be properly acknowledged.

Plagiarism results when a student copies from another student's paper or from books and other sources and fails to acknowledge such borrowing.

Whether source materials are quoted directly or are paraphrased, all such borrowing must be acknowledged clearly in the final paper or oral report through the use of footnotes or source tags.

If a student discovers that she has made a mistake in acknowledging sources in a paper already submitted, she should make this error known to her instructor.

**A plea of ignorance will not be accepted as an excuse by the Honor Council.**

As the educational purpose of papers differs from classroom to classroom, it is the joint responsibility of the instructor and the student to clarify what constitutes plagiarism in keeping with the purposes outlined for a particular paper. Each instructor should state specifically the extent and limits of available sources a student may employ in writing her paper. A student who is uncertain about an assignment and sources to be used should consult with her instructor for clarification before completion of the paper.

*(Please note that the use of one's own old high school or collegiate papers is discouraged, but if used, must be acknowledged as a source.)*

## Pre-Registration

Pre-registration is the process of requesting space in classes for the next term. It is open only to students who are in a prescribed program of study at Meredith such as a degree or teacher licensure program. Pre-registration is held during the last half of the semester. No payment is required for class reservation, but payment must be made before registration can be completed. Information on the pre-registration process is available from the Registrar's office immediately after midterm recess.

## Progress Report

Midway into each semester, instructors provide the Registrar's Office with progress reports for those students whose performance in class indicates work below a "C" average. Not a permanent grade, this report is an indication of the student's progress thus far in the current semester. The student and her faculty advisor are notified of the grade in October for the fall semester and in March for the spring semester.

## Readmission

A student who was previously enrolled at Meredith but who did not complete the semester immediately preceding the term she wishes to enter must apply for readmission. The exception to this policy is the student who was granted a leave of absence, who has complied with the terms of the leave, and who enrolls within the allotted leave time.

## Records, Access to

FERPA, the Family Educational Rights and Privacy Act of 1974, is a federal law requiring Meredith College to protect the confidentiality of student educational records. Meredith College has adopted the policies outlined below to comply with the law, inform students of their privacy rights, and to maintain the protection of student educational records.

Although student educational records are protected, Meredith College is not required to protect information that is classified as "directory" information. Meredith College has the right to release the following directory information without a student's prior consent:

- Name, address, telephone number, and e-mail address
- Date and place of birth and country of citizenship
- Dates of attendance, academic major, degrees and awards received
- Institutions attended
- Weights and heights of athletic team members
- Participation in sports and activities
- Student photographs

All students who would like their directory information to be protected under the same FERPA guidelines as those used for educational records should submit a written request to the following offices: registrar's office for undergraduate students, graduate office for graduate students, and School of Education for licensure only students. This written request must be submitted to the appropriate office by the 20th classroom day of the fall or spring semester. It is not retroactive.

Meredith College is permitted by law to release and share your student educational records without your prior consent to the following parties:

- Meredith College employees with a legitimate educational purpose
- Officials of other schools in which the student seeks admission
- Appropriate persons in connection with a student's application for, or receipt of, financial aid
- Federal or state officials as defined in paragraph 99.37 of the Family Educational Rights and Privacy Act of 1974
- State and local officials authorized by state statute
- Organizations conducting studies for, or on the behalf of, Meredith College for the purpose of assisting in accomplishing the College's stated goals
- Organizations conducting studies for schools the student has attended
- Accrediting organizations, to carry out their functions
- Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1954 (Written consent may be allowed from either of these separated or divorced parents subject to any agreement between the parents or court order. In the case of a student whose legal guardian is an institution, a party independent of the institution, appointed under state and local law to give parental consent, may be allowed to do so).
- In compliance with judicial order or subpoena
- Appropriate persons in connection with an emergency if such knowledge is necessary to

protect the health or safety of a student or other person

**NOTE:** With the exception of Meredith College employees who have been determined by the College to have a legitimate educational purpose, all individuals and agencies who have requested or obtained access to a student's record (other than directory information) will be noted in a record which is kept with each student's educational records. A request must be in writing stating the purpose of the request. This record will also indicate specifically the legitimate interest that the person or agency had in obtaining the information. If the legitimate educational purpose of a request is in question, the matter will be referred to the president of the College for adjudication.

***Meredith College will comply with FERPA to protect student educational records from unauthorized access.***

### Definitions

**Education Records** are those records, files, documents and other materials which (1) contain information directly related to a student; and (2) are maintained by Meredith College or by a person acting for the College.

**Records** are information recorded in any medium, including, but not limited to, the following: handwriting, print, electronic media, tapes, film, microfilm, and microfiche. Educational records do not include: (1) personal notes, (2) records available only to law enforcement personnel, (3) employment records, or (4) medical and psychiatric records (these are accessible by the student's physician), (5) directory information previously defined.

**School officials or employees** are persons employed by the College, elected to the Board of Trustees or employed by or under contract to the College to perform a special task, such as an attorney or auditor or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. Legitimate educational purpose is the performance of a job-related task related to a student's education, performance of a task related to the discipline of a student, or providing a service or benefit related to the student, or student's family, such as health care, counseling, job placement, or financial aid.

**Students** are persons who are or have been enrolled at Meredith College. Applicants who do not enroll or who are declared ineligible to enroll have no inherent right to inspect their files. Whenever "student" is used in reference to personal rights, an eligible parent of a dependent student has similar rights.

**Eligible parents** are those who have satisfied Section 152 of the Internal Revenue Code of 1954 and who present such proof to the custodian of an educational

record. Normally the proof will be a certified copy of the parent's most recent Federal Income Tax Form.

### Procedures for Accessing Education Records

Meredith College, in compliance with FERPA, permits students to have access to their educational records. Students wanting access to their educational records should file a written request to the appropriate office (i.e., registrar's office for undergraduate students, graduate office for graduate students, 23+ office for 23+ students). The student may ask for an explanation and/or copy of any record. If there seem to be corrections needed to the educational record requested by the student, the student may submit an appeal in writing for a formal hearing. The president of the College will appoint an Appeals Committee which must meet within 45 days of the receipt of the written appeal. The committee will allow the student to present evidence to substantiate the appeal and shall render a written decision to the student within 45 days of the hearing.

**NOTE:** This policy does not provide for a hearing to contest an academic grade.

### Exclusions

FERPA does not give students access to the following records or information:

- Financial records of parents or any information therein;
- Confidential letters and statements of recommendation which were placed in the educational record prior to January 1, 1974;
- Records to which access has been waived by the student. (This exclusion applies only if a student, upon request, is notified of the names of all persons making confidential recommendations and if such recommendations are used solely for the purpose for which they were intended.)

### Destruction of Education Records

Meredith College will retain student educational records as long as information is valid and useful. Student educational records will be destroyed when the records are no longer of use to the institution. All records will be destroyed by means of confidential disposal.

### Informing Students

Meredith College informs its students of the policy governing privacy rights of students' educational records by publishing its policy.

### Registrar

(See *Administrative Offices Section*, page 119)

## Summer School

Meredith offers summer courses on a variety of schedules. Registration begins in early March each year. More information can be seen at [www.meredith.edu/summer](http://www.meredith.edu/summer) and a brochure is available in the Office of the Registrar.

Students may also take courses at other institutions during the summer. All such courses must be approved prior to enrollment by Meredith before they can be added to the academic record. Approval forms for visitation courses are available in the Registrar's Office and on the Meredith website at [www.meredith.edu/registration](http://www.meredith.edu/registration).

On-campus housing is available to Meredith students during the summer only to those students who are eligible for housing in the fall and spring terms and:

- Attending summer school at Meredith,
- Attending summer school at CRC institutions, with permission from the registrar to visit away,
- Working full-time on campus (40 hours per week), or
- Working as an intern or co-op student receiving credit from Meredith.

Students must vacate their rooms immediately after the completion of their summer school term, internship, job or co-op. Housing fees (including meals) are assessed each week.

---

## Transcripts

Students may receive official copies of their college transcripts from the registrar's office. The student's signature is required before a transcript can be released. Requests cannot be accepted by phone. All services in the Office of the Registrar are contingent upon satisfactory College accounts and other College obligations.

## Undergraduate Degree Program for Women 23+

*LeNelle Patrick, Associate Director, 760-8452*

Undergraduate Degree Program for Women 23+, for women over 23 who wish to begin or resume academic course work leading to an undergraduate degree, a second degree, or a second major. Course scheduling is flexible, offering students the option of day and evening classes each semester.

For The Undergraduate Degree Program for Women Age 23+ admission procedures, see 23+ Program Admission information in the *Meredith College Catalogue*.

## Withdrawals

If a student wishes to withdraw from the College and terminate her enrollment, it is her responsibility to have a conference with a staff member in the Office of the Dean of Students. If receiving financial assistance, she must also meet with the director of financial assistance. If she is enrolled in the laptop program, she must return her laptop to Technology Services in the Noel House. Any student withdrawing must complete the withdrawal form and leave her official college records and obligations in good standing. Students over the age of 23 withdrawing will meet with an advisor in the 23+ Program instead of meeting with the dean of students. Students enrolled in the teacher licensure program withdraw through the School of Education. See the College Catalogue.

A student withdrawing from the college after the last day of classes in a semester will receive grades for that semester. A student withdrawing from the college who has a pending Honor Council case is expected to complete the necessary procedures with the Honor Council before leaving the college.

Upon completion of withdrawal, a resident student will be expected to complete proper check out, vacate her room, and return her room key to her residence director within forty-eight hours.

**NOTE:** If there is any room deposit refund due the student, it will be mailed later from the business office.

When a student decides to return to Meredith after withdrawing, she applies for readmission through the admissions office.

**NOTE:** See Leave of Absence, page 159, for temporary withdrawal.

# honor system

Founded on the premise that dishonesty has no place at Meredith, the Honor System demands personal integrity of each student. The Honor System is operated by the student body. Students are personally responsible for their own conduct and obligations to the Meredith Community. For more information on the Honor System at Meredith, contact the Dean of Students Office.

## Statement of Honor

We, the Meredith Community, are committed to developing and affirming in each student a sense of personal honor and responsibility. Uncompromising honesty and forthrightness are essential elements of this commitment. The Honor System is a method by which individual honors are protected and maintained. Any dishonorable action will be regarded as a violation of this commitment, and corrective action will be taken.

If I am in violation of the Honor Code, to prevent jeopardizing the Honor System or weakening our system of self-government, I have an obligation to report myself to the proper authorities. If I am aware of a violation of the Honor System by another student, I shall call this matter to the attention of that student as a violation of responsibility to the community.

In choosing Meredith College, I am accepting the Honor System as a way of life. As a Meredith student, I am responsible for insuring that the Honor System is at all times carried out.

## Honor Pledge

I do solemnly pledge my honor that as long as I am a student at Meredith College, I will faithfully uphold the principles of the Honor Code and will respect and observe the procedures and requirements of the Honor System. I also pledge my support to our system of self-government, an integral part of our way of life at Meredith College. I make this pledge in view of my fellow students thus signifying our high resolve to keep our honor forever sacred and our self-government forever strong.

*Enrollment is not complete until a student has signed the Honor Pledge.*

## Honor Council

The Honor Council is composed of the chair; the solicitor general; the support counselor; the secretary; the clerk; two representatives from the freshman, sophomore, junior, and senior classes; two commuter representatives; two W.I.N.G.S. representatives; and four faculty members, who are appointed for two-year terms by the vice president for academic programs. The dean of students and/or her designee shall serve as a non-voting member and as advisor.

In addition to the solicitor general and support counselor, nine board members are present at any hearing. These members include the chair, the secretary, the clerk, and the advisor as non-voting members, and five voting members who shall consist of one faculty representative and four student representatives, all to be appointed on a rotating basis

by the chair. The accused can waive her right to a full board when the unavailability of a board member would delay her case.

The Honor Council shall not convene during exam weeks except for those cases involving graduating seniors.

**NOTE:** A summer Honor Council composed of the chair (when possible), one or two student representatives to Honor Council (either new or retiring members), one faculty representative to Honor Council, the summer residence director, and the dean of students or her designee, shall hear cases occurring after the final day of classes of the spring semester through the final day of classes of summer school except for those cases deferred until the beginning of the fall semester. The services of a support counselor and solicitor general may not be available, and the appeal process will not include a Review Board.

## Residence Hall Hearings Committee

The Residence Hall Hearings Committee is a branch of the Honor Council coordinated by the Residence Hall Board. The Residence Hall Hearings Committee shall hear appeals of residence hall fines and minor residence hall cases referred by the Honor Council solicitor general.

Present at each hearing are the vice chair of the Residence Hall Board, two residence hall presidents, a clerk, and a residence director advisor. The vice chair of the Residence Hall Board shall preside over all hearings and shall not vote except in the case of a tie. The residence director advisor shall serve as a non-voting member. The hearings shall be on Monday nights.

The decision of the Residence Hall Hearings Committee concerning fine appeals shall be final. Students may request a retrial with the Honor Council for other cases by contacting the solicitor general of the Honor Council within 48 hours of the original hearing.

The Residence Hall Hearings Committee will not meet in the summer. Summer fine appeals should be directed to the summer Honor Council.

## Honor Code Violations

The Honor Council acts on violations of the Honor Code. Violations of the Honor Code include, among others:

**Academic dishonesty**, including, but not limited to:

- Unauthorized copying, collaboration, or acceptance of assistance in the preparation of academic work (i.e., written, laboratory, artwork, computer programs, etc.)

- The use of notes, books, or other unauthorized aids on examinations
- Stating that assignments are completed when they are not (i.e., parallel readings) or aiding and abetting a dishonest action of another student

**Theft or misuse of, or damage to,** any personal property on institutional premises, any academically related personal property wherever located, or any College property.

**Violation of any College policies** as set forth in this Student Handbook.

**Unauthorized use of the name of the College** or the names of member organizations in the College community.

**Intentional abuse of a position** of trust or responsibility within the College community.

**Furnishing of false information,** with intent to deceive, to members of the College community who are acting in the exercise of their official duties.

**Failure to follow directions** given by College officials or staff members in the exercise of their official duties.

Failure to abide by sanctions or penalties properly imposed by the College or disciplinary bodies.

**Aiding or abetting any violation** of the Honor Code.

**Any other conduct deemed by the College to be undesirable or unacceptable,** or which interferes with or threatens the College's ability to fulfill its educational purposes.

**NOTE:** A student may be accused of more than one violation as a result of a single incident.

**Ignorance of a rule or regulation shall not be accepted as a defense by the Honor Council.**

*The College reserves the right to make violations of federal, state, or local law by its students a matter for consideration and action of Honor Council. In addition, misconduct by Meredith students while on other college or university campuses may be cause for Honor Council action. The College may suspend students awaiting court hearings of felony violations.*

## Reporting a Violation of the Honor Code

### **Self-referral**

If a student realizes that she has violated the Honor Code, she is encouraged and expected to report herself in a timely manner to the solicitor general.

### **Report by another student**

If a student witnesses or suspects that an infraction has occurred, she has two paths she may follow. In a timely manner, she may confront the suspected student, or she may refer her suspicion directly to the solicitor general or residence life staff.

### **Report by a member of the faculty or the administrative staff**

If a faculty or staff member suspects a student of an Honor Code violation and is able to ascertain the facts of the case, it is that faculty or staff member's responsibility to inform the student and request that she report herself within 24 hours to the solicitor general or the dean of students. Should the student not make the report, the faculty or staff member should do so.

### **Report by Campus Police**

All Campus Police reports are submitted to the office of the Dean of Students and, when necessary, may be reviewed by the Solicitor General. If the Solicitor General determines that the Honor Code has been violated, she will contact the student.

## Sanctions

One or more of the following sanctions or others deemed appropriate by the Honor Council may be imposed upon students for violations of the Honor Code, depending upon the gravity of the offense:

### *Campus work*

A student may be required to render a specified number of hours of unpaid work to be performed on campus as designated by the Honor Council.

### *Probation*

Probation is a set period of time during which the student is to give exceedingly careful attention to her behavior in order to affirm her ability to abide by the Meredith College rules and regulations.

**IMPORTANT—PLEASE NOTE** that if at any time a student who is on probation is found guilty of another violation of the Honor Code, she may be suspended for a minimum of one semester or expelled from the College. Components of probation are as follows:

- Notification of parents of traditional-aged students. Within two weeks following the final hearing, a copy of the written notification of penalty shall be sent to the parents by the chair of the Honor Council accompanied by a letter from the vice president for college programs.

**NOTE:** Any of the penalties listed in this chapter resulting from cases involving academic dishonesty shall include the right of the professor to levy any additional academic penalty he or she shall deem appropriate.

**Appeals of Honor Council Action**

A student may appeal Honor Council action to the Review Board. To do so she should deliver written notice of her appeal to the vice president for college programs by noon of the Wednesday following her Honor Council hearing. The Notice of Appeal must state clearly the reason for the appeal. (See the By-laws: Article III section 3C2) The Review Board Hearing shall typically occur on the Friday following the Notice of Appeal.

The appellant shall have a maximum of five minutes to present her appeal to the Review Board.

The action of the Review Board is final except for the right of the student charged to appeal to the president of the College in cases of delay of graduation, suspension or expulsion. A student may appeal a Review Board decision by presenting her written appeal to the vice president for college programs within 72 hours of the Review Board Hearing. The vice president for college programs will then present the appeal accompanied with relevant case documents to the president for her review and decision.

Following consultation with an advisory committee made up of the vice president for academic programs, the chair of the Faculty Council, and the chair of the Student Life Committee, the president shall reach a decision and give formal, written notice to the student and to the chair of the Honor Council within ten days after receiving the notice of appeal. **Appeals of Residence Hall Fines**

A student may appeal a residence hall fine to the Residence Hall Hearings Committee by giving written notice of her appeal to the clerk of the Residence Hall Hearings Committee within 48 hours of receipt of the notification of the fine. The written notice must identify what fine is being appealed and why the fine is being appealed. The clerk will notify the appellant of the date and time of the appeals hearing.

At the appeals hearing, the clerk will introduce any material and/or character witnesses. The appellant shall have a maximum of five minutes to present her appeal. Members of the Committee sitting on an appeal may ask questions of the material witnesses and appellant. The decision of the Residence Hall Hearings Committee on fine appeals is final.

## CRC Students

Students participating in the Cooperative Raleigh Colleges (CRC) Program who are accused of academic dishonesty are liable to the judiciary process of the host institution.

## Commuter Students

Both traditional and nontraditional-aged commuter students' cases, like those of any other student, will be heard by the Honor Council.

## Good Social Standing

A student is considered to be in good social standing with the College if she has no pending Honor Council case, if she completes by the deadline any educational sanction given by Honor Council, and if she is not serving a term of probation or suspension.

## Honor System Records

Honor Council, Review Board, and Residence Hall Hearings Committee records are maintained by advisors and chairs of each branch. Official records in the Office of the Dean of Students are kept ten years after completion of a penalty (Exception: records of expulsion are on permanent file.)

## Jurisdiction of the College

Students are expected to maintain at all times a high standard of personal conduct in keeping with Meredith principles. The College reserves the right to suspend, expel or to exclude at any time any student whose academic standing or conduct is regarded by Meredith as undesirable or unacceptable.

## Alcohol and Other Drugs

The College strongly discourages the use of alcoholic beverages by Meredith students. Students shall not possess or consume intoxicants on the campus or at any College-sponsored functions sponsored by Meredith students or any Meredith student organization. A student may not attend class while under the influence of alcohol. Inappropriate or illegal behavior related to alcohol use will result in disciplinary action. Meredith students are expected to represent the College with dignity at all times. Any amount of alcohol shall be considered "possession" and shall result in judicial action. Memento bottles are not allowed. Students participating in any Meredith or Meredith-affiliated study abroad program are expected to follow the laws of the host country and host institution during any study abroad program.

Meredith believes it essential to the well-being of students to make every effort to maintain a campus environment free of such influences as illegal drugs. In view of this belief, the Board of Trustees has articulated the following policy related to illegal drugs. The policy simply stated is as follows:

*Meredith College students shall not illegally manufacture, possess, sell or deliver a controlled substance or counterfeit controlled substance or possess drug paraphernalia. The terms "controlled substance" and "counterfeit controlled substance" shall be defined in accordance with the definitions set out in the North Carolina General Statutes. Any student suspected of a violation of this policy is subject to a hearing by the Honor Council of Meredith College. If found responsible, the student will be suspended or expelled in accordance with the drug policy as enunciated by the Board of Trustees. The violator is also subject to North Carolina law. Paraphernalia that tests positive for any illegal substance shall be considered possession of a drug.*

Drivers deemed by campus police to be impaired will not be allowed to operate vehicles on campus. The threshold of impairment is very low (any alcohol or controlled substance previously consumed remaining in the body) for persons under the age of twenty-one.

Campus Police will send a report to the Dean of Students in the case of any student deemed to be driving while impaired. In the case of a resident student deemed to be driving while impaired, an immediate report will be made to the student's resident advisor or residence director.

## Automobile Regulations and Fees

### Student Parking Permits

At the beginning of each semester, all students may qualify for the privilege of bringing a car on campus by signing the appropriate agreement, paying the parking permit fee, and displaying a numbered decal.

Decals must be affixed permanently with the decal's adhesive to the rear window of the car. Decals may not be taped to the rear window. Forms and decals may be obtained from Campus Police. Adequate parking is provided for all those who qualify.

### Fee Schedule for Parking Permits

Annual resident permit	\$175
Annual commuter permit	\$100
Annual commuter evening only	\$50

*(This decal is only valid after 5 pm. Any vehicle displaying the decal must get a visitors pass if on campus during the hours 7 am-5 pm.)*

Permits are payable each fall. Refunds will be prorated by semester. A student who does not have a vehicle registered may purchase a temporary permit for \$1.00 per day for a period not to exceed two weeks. The temporary permit must be for a specific need and is not intended for the purpose of avoiding the purchase of a permanent permit.

### Parking Regulations

Parking regulations are enforced 7 days per week, 24 hours per day including breaks. The following parking practices are specifically prohibited:

- Parking on the front drive
- Double parking.
- Parking on lawns, grass, landscaped areas, sidewalks, or other areas not set aside for parking.
- Parking in such a manner as to block traffic, parked vehicles, or roadways.
- Parking in fire lanes, loading areas, emergency areas marked as NO PARKING ZONES, including areas marked with diagonal yellow lines.
- Parking in an area designated for registration decals other than the one displayed (for example, students in reserved spaces or underclass parking in senior parking spaces).
- Parking in visitors' area with a Meredith decal.
- Parking an unregistered vehicle anywhere on the Meredith campus.
- Students driving any vehicle on campus other than their registered vehicle must apply for a temporary pass.
- Parking is prohibited in the circle in front of Johnson Hall (Fire Lane). Exceptions will be allowed on move-in or move-out days as long as a driver remains with the vehicle at all times. Unattended vehicles will be ticketed.
- Parking tickets may be appealed by completing an appeal form at Campus Police. All appeals must be submitted within 15 calendar days from date of offense. A lack of knowledge of parking rules will not be considered as a valid appeal.

No warning tickets are given. Parking fines are \$25; fines for parking in handicapped and fire lanes are

\$50; Auto-boot and towing fines are \$50. Unregistered cars will be Auto-booted and will not be released until all fines are paid. (An Auto-boot is a device that clamps to the wheel of a car. Attempts to move a car with an Auto-boot will result in serious damage to the car.)

Any person having a handicap permit will notify campus police.

Campus parking privileges may be revoked in cases when a student repeatedly parks in any space other than authorized for their assigned decal. Fifteen-minute parking spaces may be used for loading and unloading only. Meredith College does not assume responsibility for any vehicle parked on campus.

Consult campus police for complete parking information, including identification of open parking lots at designated times.

### ***Temporary Parking Permits***

Faculty, staff and students with a valid parking permit may obtain a temporary parking permit, free of charge, when their registered car is unavailable.

### ***Family and Guest Parking***

All cars are required to be registered. Students are responsible for the proper parking and registration of guest vehicles. There is no charge for permits for family and guests. Students should become familiar with all visitor parking areas and direct their guests to proper areas. Guests' vehicles are also subject to being ticketed.

---

## **Baby Sitting**

Baby sitting is not allowed on campus. See Residence Life Guide to Community Living, page 215 for more information.

---

## **CamNet Responsible Computing Policy**

This document sets forth the CamNet Use Policy for Meredith College. Please read it—you are responsible for knowing and following these policies. All students, faculty and staff are responsible for using Meredith's computing resources in an effective, ethical, moral and legal manner.

### ***Purpose***

Technology Services has responsibility for providing voice and data support services to Meredith College. In terms of systems, Technology Services is responsible for telecommunications, administrative computing, academic computing and library computing activities. Computers and networks provide access to resources on and off the campus, as well as the ability to communicate with other users worldwide. Such access is a privilege and requires the user act responsibly.

Users must respect the rights of other users, respect

the integrity of the systems and observe all relevant laws, regulations and obligations. All existing laws, federal and state and college regulations and policies apply. Illegal reproduction of software protected by US Copyright Law is subject to civil and criminal penalties including fines and imprisonment.

The practice of unauthorized downloading and file sharing runs counter to the college's commitment to integrity. Use of illegally copied software is a violation of federal law as detailed in the Digital Millennium Copyright Act (Title 17 United States Code). The introduction of software programs that enable the sharing of illegal files over the college's network often introduce adware, spyware, worms and viruses that adversely affect the performance of the individual's computer; infect and even damage the college's network resources requiring costly time consuming repair efforts; and deny the use of these electronic resources to others in the college community. A student who has obtained unauthorized software is encouraged to bring her computer to the Technology Services department for assistance in deleting unauthorized software. If the College receives an Infringement Notification showing that a computer belonging to the college network has been illegally downloading and sharing digital music, movies, or game files, Meredith College will comply with the request to remove the specified files.

When a student is notified that her computer has been identified in an "Infringement Notification," she will first be given a warning and assistance by the Technology Services department in deleting unauthorized software from her computer.

If a student, after receiving a warning, again violates copyright law, she will be referred to the Honor Council for further action.

Misuse of computing, networking, or information resources may result in the loss of computing privileges. Certain infringements may lead to prosecution under the applicable statutes. Users will be held accountable for their conduct under applicable College policies. Complaints alleging misuse should be directed to Chief Information Officer, Technology Services, Meredith College, (919) 760-2803, e-mail [cio@meredith.edu](mailto:cio@meredith.edu).

### ***Use of College Owned Resources***

The following policies apply to all College owned technology resources provided for use by the Meredith College Community—faculty, staff and students. The intent is to give an overview of acceptable and unacceptable uses. This document is not to be considered as an exhaustive enumeration of all uses and misuses.

#### ***Acceptable Use***

- Consistent with the mission of the college
- For the purpose of and in support of education and research

- By students, faculty and staff who have been trained, have a current network account and a valid password

### **Unacceptable Use**

- Unauthorized copying of copyrighted material
- Destruction of or damage to the equipment, software or data belonging to the college and/or other users
- Use of computers or network that violates federal, state or local laws or statutes
- Providing, assisting in or gaining unauthorized or inappropriate access to Meredith's computing resources
- Activities that interfere with the ability of others to use resources effectively
- Use of printers as copiers—one copy of output should be made and taken to the copiers for the production of multiple copies
- Activities that result in the loss of another person's work/data or unauthorized access to another person's work/data.

## **Campus ID Cards/CamCards**

All Meredith students are required to have and carry a Meredith picture identification card called the CamCard. "Meredith student" is defined to be any student registered for at least one academic credit course through the Meredith College registrar or the John E. Weems Graduate School. CamCards are required of all individuals in order to check out library materials, for student access to residence halls, and for general identification purposes around the campus. Resident students must use the CamCard for Meredith dining services. Identification cards are made free of charge in the Security Office. Any person using campus facilities or entering classrooms or other buildings must have a college ID.

Any individual who has a CamCard may open a Secure Spending Account by making a deposit to her/his Secure Spending Account. Funds on deposit will allow the identification card to be used for access to the Secure Spending Account for purchases in the Meredith Supply Store, certain campus vending operations, campus photocopy machines, and for individual meal purchases in the dining hall and the snack bar. Deposits may be made in person at the Accounting Office or by mail. Cash withdrawals are not allowed. For more information related to depositing money in a "Secure Spending" account, please contact the Accounting Office.

Lost or stolen CamCards should be reported immediately to the Security Office. There is a \$5.00 charge to replace lost or stolen IDs.

## **Contractual Agreements**

Any contractual agreement for which the College must issue a check or upon which the name of Meredith

College appears must have the signature of the vice president for business and finance or the president. This policy includes any club, organization, group, or individual acting directly or indirectly as a part of the College. Organization advisors and/or sponsors must approve the agreement which is to be signed by the director of student activities and leadership development and, if necessary, by the vice president for college programs and the vice president for business and finance.

## **Copyright Policy**

Meredith College expects students, faculty and staff to be familiar with and obey copyright law. At a minimum, members of the Meredith community should have a basic understanding of Fair Use concepts. Users of Blackboard should be aware of additional limitations as described in the TEACH Act. Refer to the Meredith College copyright web page at [www.meredith.edu/copyright](http://www.meredith.edu/copyright) for more information. Supplementary copyright instruction sessions will be offered annually to the Meredith community.

## **Corrections to College Records**

Students should notify the registrar's office of address, phone, and marital status changes.

## **Demonstration Policy**

For more information on demonstrations at Meredith College, contact the Office of Student Activities and Leadership Development.

## **Dress**

For reasons of health and safety, shoes must be worn in the dining hall and science laboratories.

## **Family Communications**

The College reserves the right to contact the family of Meredith students whenever it is deemed necessary or appropriate regarding student behavior or other student or campus-related matters.

## **Freshman Regulations**

Traditional-aged freshmen observe the same regulations as all other students with the addition of the following:

- Freshmen must attend the required hall or commuter meetings during freshman orientation. Other required meetings are noted in the Student Activities Calendar.
- Freshmen must attend both sessions of the Discovery Series. The two sessions take place during the fall semester on Monday mornings and evenings. Sessions are designed to enhance each first year student's college experience by introducing her to

campus and community resources and informing her about issues which may affect her life as a student and as a woman.

## Fundraising, Vending, and Sales

Fundraiser Approval Forms must be completed and approved before a student organization begins a fundraising activity. These forms help prevent multiple organizations from conducting fundraisers at the same time or with the same items and prevent organizations from contracting with less than ethical vendors. Copies of the form may be picked up in the Office of Student Activities and Leadership Development. Once a representative of the group has spoken with the assistant director of student activities and leadership development and has received approval for the fundraiser, she may reserve space to conduct the fundraiser.

Belk Dining Hall has one table that can be used to conduct fundraisers or publicity campaigns for student organizations or other approved Meredith groups. To reserve the table in the dining hall, fill out a Dining Hall Vending Permit in the Office of Student Activities and Leadership Development, 202 Cate Center. To reserve a table in the Cate Center Lobby, near the Information Desk (first floor), contact the Office of Student Activities and Leadership Development.

Meredith College does not permit the sale of items advertising or advocating the use of drugs, including alcohol or tobacco. Meredith reserves the right to deny permission to any group selling or distributing materials that are not in accord with the philosophy of the College. All student organizations planning to sell an item must fill out a Fundraiser Approval Form, even if the group is not using the sales for fundraising purposes.

## Grievance Procedures

### Academic Problems

Students who are experiencing academic problems either with a grade or other conditions of the course should first discuss the matter with the professor. It is the professor's responsibility to explain fully all grades and requirements of the course. If the problem is not resolved, the student or professor should consult the department head. Should further action be required, the matter should be brought to the dean of the school.

Any grievance concerning a grade that has not been satisfactorily resolved by the teacher, the department head, or the dean may be appealed to the vice president for academic programs. The grade may be appealed on the basis of a question concerning: (1) clerical or numerical error, (2) personal bias or arbitrary grading. The formal appeal must be made within the first eight weeks of the term immediately following the grading period in which the grade is received. If the grievance can be equitably settled,

the matter will be closed. If an agreement acceptable to the teacher and the student cannot be reached through the vice president's mediation, the case will be referred to Academic Council for action. The decision of Academic Council will be final.

### Housing Problems

(see page 213)

## Guests

A Meredith student is responsible for the appropriate behavior of her campus guests. A guest is expected to observe the same regulations as the Meredith student. Guests will be responsible for paying for all meals eaten in the dining hall (see dining hall fee schedule).

### Female Guests

Resident students should follow policies regarding overnight female guests which are listed in the Residence Life section of this Handbook.

### Male Guests

Except during an Open House, male guests are allowed in the residence halls only in first floor parlors and only when accompanied by a Meredith student or when waiting for her. Detailed policies regarding male guests and Open Houses are in the Residence Life section of this Handbook.

## Harassment and Non-Discrimination Policy and Complaint Procedures

### Introduction

Meredith College is committed to providing a work and study environment that is safe, fair and free from discrimination and harassment for all members of its campus community. Meredith College prohibits and does not engage in discrimination or harassment that is based on a person's religion, race, color, national origin, age (as defined in the Age Discrimination in Employment Act), sex, disability, veteran's status, sexual orientation or any other category protected by law. The College views this conduct as a very serious matter and any student or employee who violates this policy will be subject to disciplinary action, up to and including dismissal (please see disciplinary information in appropriate handbook), whether such conduct occurred on or off campus.

### Definitions and Descriptions

**I. Discrimination.** Meredith College is dedicated to equality of opportunity within its community. The College does not discriminate against its students, employees or applicants for employment because of race, color, national origin, age (as defined by the Age Discrimination in Employment Act), religion, sex, disability, veteran's status, or sexual orientation.

**II. Harassment.** Harassment is any action, oral or written expression, repeated or persistent series of

actions, or expressions that are reasonably perceived as creating an intimidating, offensive, hostile, or demeaning educational, employment, or College living environment for a student or College employee. A hostile environment is one that interferes with an individual's ability to participate in all and any aspects of academic, professional, or residential life.

**III. Sexual harassment** is a particular form of harassment also prohibited by the College. The Equal Employment Opportunity Commission (EEOC) has defined sexual harassment with regards to employment as follows:

"Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when: Condition of an individual's employment; Submission to or rejection of such conduct by an individual is used as a basis for employment decisions affecting such individual; or Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating hostile or offensive working environment."

By way of example, verbal sexual harassment can include sexual innuendoes, offensive remarks about another person's clothing or body, suggestive or insulting sounds, implied or overt sexual propositions, or pressure for sex. Examples of physical sexual harassment can include leering or ogling, obscene gestures, inappropriate touching, fondling or kissing, and coerced sexual contact. Sexual harassment can be perpetrated upon members of the opposite gender or one's own gender. Occasional compliments of a socially acceptable nature do not normally constitute sexual harassment. Similarly, depending upon the circumstances (including the nature of course materials or the context of an action), not all verbal or physical conduct will be considered sexual in nature.

The academic setting is distinct in the workplace, and the College will maintain and encourage academic freedom. The academic setting will be considered in regard to complaints and to be harassment such behavior must be persistent, pervasive and not germane to the subject matter.

**IV. Retaliation.** It is a violation of this policy to retaliate against a person who has complained about discrimination or harassment, or for assisting, participating, or cooperating in an investigation or grievance of a complaint hereunder.

**V. Wrongful Allegations.** It is a violation of this policy to bring a knowingly false complaint under this policy. However, failure to prove a claim of sexual harassment does not alone constitute proof of a false and/or malicious accusation.

**VI. Confidentiality.** The College will make reasonable efforts to keep all information relating to complaints under this policy confidential on a "need-to-know" basis, to the extent consistent with the College's legal obligations, its need to investigate allegations, and its need to take corrective and/or disciplinary actions. All participants in the grievance process or any investigation of any allegation hereunder shall respect the confidentiality of the process and violation of confidentiality on a need-to-know basis is a violation of this policy.

**VII. Corrective and/or Disciplinary Action.** Violations of this policy subject the violators to corrective and/or disciplinary action, up to and including termination or expulsion in accordance with College procedures.

#### **Harassment or Discrimination By Students: Methods of Resolution**

*At any point in the grievance process, the Dean of Students may be contacted and will receive a complaint or provide assistance as appropriate. In the event of employee involvement, the Office of Human Resources may be contacted. Discussing a complaint does not commit one to making a formal charge. Complaints should be presented within a timely manner.*

**I. Individual Resolution.** Either directly, or with the assistance of a third party chosen by the complainant, complainants are encouraged to make their discomfort known to perceived harassers. Perceived harassers have a responsibility to attempt to understand both the intentional and unintentional effects of their behavior and to respond in a thoughtful, sensitive manner to those perceived effects. In the most serious instances of sexual harassment, it is unreasonable to expect complainants to confront their perceived harassers.

**II. Informal Resolution.** If appropriate, the Dean of Students may arrange a meeting between the two parties to facilitate discussion of the complaint. Mediation is designed to encourage each person to be honest and direct with the other and to accept personal responsibility where appropriate. Its goal is to facilitate the resolution of the incident to the satisfaction of both persons involved, and to reach an agreement that is binding on both parties. If the complainant is satisfied with the outcome, the matter will be considered resolved. If the outcome of mediation is unsatisfactory to the complainant, the complaint will be returned to the Dean of Students, and the formal process may be enacted.

**III. Formal Resolution.** If mediation is unsatisfactory or undesired or if complainant prefers and/or sufficient evidence of wrongful discrimination or harassment exists, the incident should then be reported to the Solicitor General or the Dean of Students as a violation of the Honor Code. The accused student will be asked to report to the Solicitor General of Honor Council or the Dean of Students. The accused student and the complainant will be afforded all rights out-

lined in the procedures of the Honor System, as described in the Constitution of the Student Government Association in the Student Handbook and Activities Calendar (Article III, Section II).

The College reserves the right to discipline, including immediate suspension or expulsion at any time, any student whose conduct is regarded by Meredith as undesirable or unacceptable.

Records pertaining to discrimination and/or harassment by students will be maintained in the Office of the Dean of Students. Official records are kept ten years after the completion of an Honor Council Hearing, with the exception of records regarding expulsion, which are kept permanently on file. In such case, a sanction of expulsion would also be reflected on the student's academic transcript.

#### **Harassment or Discrimination By Faculty or Staff: Methods of Resolution**

*At any point in the grievance process, the Office of Human Resources may be contacted and will receive a complaint or provide assistance as appropriate. In the event of student involvement, the Dean of Students may be contacted. Discussing a complaint does not commit one to making a formal charge. Complaints should be presented within a timely manner.*

**I. Individual Resolution.** Either directly, or with the assistance of a third party chosen by the complainant, complainants are encouraged to make their discomfort known to perceived harassers. Perceived harassers have a responsibility to attempt to understand both the intentional and unintentional effects of their behavior and to respond in a thoughtful, sensitive manner to those perceived effects. In the most serious instances of sexual harassment, it is unreasonable to expect complainants to confront their perceived harassers.

**II. Informal Resolution.** Complainants are encouraged to report acts of harassment or discrimination to the immediate supervisor of the alleged harasser/discriminator or the Office of Human Resources/Dean of Students, as appropriate. The supervisor should contact Office of Human Resources to assist/coordinate the investigation (depending on the nature of the allegation).

The supervisor is obligated to investigate the complaint and take appropriate actions. The supervisor should respond verbally to the complainant as to the findings and outcome within ten working days of notification of the complaint.

In some situations, mediation may be an appropriate option for resolution. Mediation is designed to encourage each person to be honest and direct with the other and to accept personal responsibility where appropriate. If the complainant is satisfied with the outcome, the matter will be considered resolved.

**III. Formal Resolution.** If step II does not resolve the situation to the satisfaction of the complainant or if the complainant desires to proceed directly to step III, the complainant may submit a Formal Grievance Form. This form is available from the Office of Human Resources, Dean of Student's Office or on-line at the Meredith web site. A representative from HR/Dean of Students will assist with completion of forms or explanation of process as requested. The alleged harasser/discriminator will be notified by HR that a complaint has been filed, will receive a copy of the written complaint, and will be allowed an opportunity to present information in the same manner the complainant presents information. The supervisor the next level up and a representative from HR/Dean of Students, will meet with both parties to review the complaint and be given copies of the policy and process. HR will coordinate the investigation of the claim. The supervisor at this level then has ten working days to provide a written response to the employee and the complainant.

Vice Presidents of the College who wish to bring a complaint should communicate it to the President of the College or the President's designee; likewise, complaints about Vice Presidents should be taken to the President of the College. When a complaint concerns a Vice President, the President shall act as the grievance officer for the College. Complaints about the President of the College should be communicated to the Chairperson of the Board of Trustees. In such a case, the Trustees shall devise an appropriate procedure for handling the complaint. Any individual who needs assistance initiating contact with the Board of Trustees may contact the Office of Human Resources.

Complaints regarding vendors, contract workers, guests or others who may be visiting the campus should be brought to the attention of the appropriate Vice President or Office of Human Resources.

**IV. Grievance Committee.** If the situation is still not resolved to the satisfaction of the complainant, they will notify the Office of Human Resources. An HR Representative will meet with the complainant and gather additional information beyond what is stated on the formal grievance form and inform the complainant about the grievance committee process. HR will notify the appropriate Vice President that a grievance has been filed and assemble a grievance hearing subcommittee from the larger Grievance Committee (see Grievance Committee).

The subcommittee will review the complaint, study all pertinent facts, carefully examine any policies involved, and may take statements or call witnesses to evaluate the complaint. Both parties will be given notice of the time and place of the hearing and may choose to be present during the hearing, except in extreme situations where the committee feels it would prohibit full disclosure of information. Both parties can provide questions to witnesses through committee. Both parties

have the option of having another member of the Meredith Community present for moral support. The basis for a decision will be based on a preponderance of the evidence, with the decision reached by consensus of the subcommittee. The subcommittee may find that no discrimination or harassment has occurred or they may find in whole or in part for the complainant and recommend action to remedy the situation. The Chair will prepare a written report within 20 days with findings and recommendations to go to the Vice President.

The Vice President then has the option to accept the recommendations of the committee, return the case to the committee for further consideration or reject the findings after reviewing the case. The Vice President will then prepare a letter to both parties to notify them of the decision and any actions to be taken.

Upon receiving notice of the outcome, either party may appeal to the President for the following reasons: 1) whether there is a preponderance of evidence to support the outcome or decision; 2) whether the hearing was free of substantial error, prejudicial to either party, which would have affected the outcome; or 3) whether the penalty imposed is appropriate to the offense. Appeals may be filed with the Office of Human Resources within 10 working days and must state the reason for the appeal. The President then has 20 days to review the information and issue a finding. The President's decision is final.

The President of the College, or her designee, may impose a summary suspension prior to the resolution of the informal or the formal proceedings. A summary suspension may be imposed when, in the judgment of the President, the accused individual's presence on campus would constitute a threat to the safety and well-being of the members of the College community.

When the grievance proceedings are completed, all materials related to the case including statements, evidence and documents, and other materials examined shall be retained in a confidential file in the Office of Human Resources. Complaint information is not placed in personnel files; any sanctions taken against the employee will be placed in the personnel file.

**Grievance Committee:** The Grievance Committee shall be composed of the Faculty Council, the Staff Affairs Committee and six students to be selected based on student positions appointed for the year (Honor Council Chair, Student Life Chair, Residence Hall Association President, Association of Meredith Commuters President, WINGS President, and the Diversity Committee Chair). The committee will receive training on this policy on an annual basis to assist them in performing their responsibilities on the committee.

At the time a complaint is received, the complainant will select one person from the Grievance Committee,

and the Office of Human Resources will randomly select four individuals and one alternate to complete the subcommittee which will hear the complaint, ensuring no member of the committee has a known conflict of interest. The subcommittee should include individuals from each segment of the campus community represented by the concerned parties. For example, if the complaint is from a student against a faculty member, HR should try to select two students and two faculty members to hear the case; the student would select either another student, or a faculty or staff member; and the alternative could be either a student, faculty or staff member. The Chair will be selected by committee vote.

A member of the human resources staff shall serve as an ex-officio, non-voting facilitator, to provide technical assistance on procedural and policy matters.

### **Consensual Relationships**

Meredith College strives to maintain a safe and intellectually stimulating environment where students and employees can live, work and think without undue negative influences, concerns of favoritism, intimidation, and/or hostile working or learning environments. To that end, consensual romantic, intimate and/or sexual relationships are prohibited when they occur between faculty, staff and/or students when a professional power differential exists in these situations in terms of the influence and authority that the one can exercise over the other.

A "power differential" relationship is defined to include relations between a student and any faculty, staff member or student who 1) now supervises or would have a reasonable or usual expectation of supervising the student in the future; 2) now provides or would have a reasonable or usual expectation of providing the student with oral or written recommendations; 3) now grades and/or formally evaluates or would have a reasonable or usual expectation of grading and/or formally evaluating the student in the future; and/or 4) now makes significant decisions, or would have a reasonable or usual expectation of making significant decisions in the future affecting the student's living space, financial aid, and/or access to essential College programs and services.

The College strongly discourages faculty or staff from engaging in any consensual sexual, intimate or romantic relationships with any student, even where a "power differential" is not present. Of course, non-consensual sexual, intimate or romantic relationships are unlawful and strictly prohibited by College policy.

This information is available on the Meredith College web site.

## Health Related Issues

### ***Sexual Assault and Rape***

The Meredith College community will not tolerate sexual assault or rape. Sexual assault is defined as any incident of forcing another person to perform a sexual act against his/her will. Force can be implicit through the use of threatening words, gestures, or tone of voice, or explicit through actions of physical restraints.

According to North Carolina state law, rape is defined as forced sexual intercourse against the will of another person. Rape is also considered to be sexual intercourse with a person who is physically, mentally, or otherwise incapacitated (including incapacitation from the use of alcohol and drugs), when the person performing the act knows of the victim's incapacity.

Meredith College recognizes the importance of assisting a student who is a victim of sexual assault or rape in regaining a sense of personal control over her life and the decisions she makes.

In this respect, several College departments coordinate efforts to offer services to a victim and others upon whom the sexual assault or rape might have an impact. Meredith College strongly urges anyone adversely impacted by a sexual assault or rape to:

- Seek medical assistance as soon as possible following the incident (within 72 hours), being sure to advise medical personnel that treatment is necessary because of assault or rape. If a victim decides to press charges, medical information is essential. A student may contact the counselor on call through Campus Police (760-8888), Interact 24 hour Rape Crisis Line (828-3005), or Wake Medical Safe Center (828-3067) for assistance.
- Contact the Counseling Center and/or the Office of the Dean of Students. The college will hold all reports of sexual assault or rape in the highest confidence. The names of victims will not be released to any other party without the written consent of the victim. Both offices can provide students with a variety of resources that are available to assist students who have been assaulted or raped. Furthermore, they can assist in options for changing a victim's academic and residential living situation after an alleged sex offense, if such changes are requested by the victim and are reasonably available.
- For the safety of herself and the community, a victim is encouraged to report incidents of rape or other sexual assault to Campus Police or local law enforcement authorities. Campus Police will advise the student about her legal options.

Sexual assault programming is available throughout the year to students through Campus Police, the Counseling Center and the Office of the Dean of Students. Residence life staff training, Discovery sessions for first year students, and events such as the Take Back The

Night March are representative of the College's efforts to educate the campus community. Students who wish to be involved in sexual assault prevention activities may contact the Office of the Dean of Students.

Sexual assaults allegedly committed by a Meredith College student can be reported and adjudicated by the College Honor System. However, in cases of a concurrent criminal prosecution, the College defers to the criminal case. During a College on-campus disciplinary case, the accuser and the accused are entitled to the same opportunities to have others present during the disciplinary hearing. Upon request of the assaulted student, sexual assaults or rape committed by a student from another campus can be referred by the Dean of Students to that student's campus for judicial action.

### ***Sexually Transmitted Diseases***

STD testing is available and confidential at the Health Center. Students may choose to be tested by the health center staff for a fee, or some STD testing is provided FREE to students by a collaborative agreement with Wake County Human Services and the Meredith College Health Center every Wednesday from 12:00-3:00 p.m.

### ***HIV***

Students with HIV (human immunocompromised virus) will have access to enrollment or employment, unless medically-based judgment in individual cases establishes that restriction is necessary for the welfare of the individual or other members of the College community. Individuals with HIV will be expected to maintain appropriate health practices in relationship to other members of the Meredith community and in accordance with the law.

### ***Other Communicable Diseases***

The College reserves the right to request that a student with a highly communicable disease leave the campus immediately and remain away until she is medically no longer deemed contagious.

The College attempts to respect the privacy of students in all health-related matters, except when required by law.

### ***Immunization Records***

A law enacted by the General Assembly of North Carolina requires all new enrollees in a college/ university system to present proof of immunization prior to matriculation. The enforcement of this law is to help prevent outbreaks of dangerous communicable diseases (e.g., measles), which have been a problem on some campuses in recent years. Outbreaks are preventable if students are vaccinated adequately. The law became effective July 1, 1986, and requires proof of certain immunizations as evidence of protection against specific vaccine preventable diseases. Students must present, as a minimum, the following verification:

- 1) 3 DPT or DT Series, proof of Td or Tdap Booster within the last 10 years.
- 2) Proof of 2 Rubella, Rubella, and Mumps vaccines (MMR).
- 3) Proof of TB screening test (PPD), within one year prior to enrollment.

Influenza, meningococcal and cervical cancer vaccines are recommended but not required. These vaccines are available at the Health Center for a fee.

All immunization records will be screened carefully and, if deficiencies are found, the student will be notified. *Please note that if the immunization requirement is not met, dismissal from school 30 days after registration is mandatory under the law.*

### **Self-Injury**

Any student who harms or threatens to harm herself or another will be referred immediately to a physician or counselor for assessment. The student will be allowed to return to campus only with written documentation from the physician or counselor in a form acceptable to the College that states it is safe for her to do so and after meeting with a Meredith College Counseling Center counselor. The student will be allowed to return to campus when the vice president of college programs gives approval. The College reserves the right to request an opinion from another counselor or physician at its expense to determine the student's fitness to return to campus. Students may appeal any denial of any return to campus by submitting a written appeal and stating the grounds for such appeal to the vice president for college programs within five (5) business days of the College's decision. The vice president for college programs will submit the student's written appeal along with any position she may have to the president who will make a decision within five (5) business days of the appeal. The president's decision shall be final.

At any time parents of the student involved and appropriate College officials may be notified at the discretion of the vice president for college programs or other personnel on duty. Additionally, if a student withdraws or takes a temporary leave of absence after referral and removal from campus, she still must comply with the above requirements before resuming enrollment.

### **Intra-Campus Mail Service**

Intra-Campus Mail Services are provided for the convenience of Meredith students and organizations. Only Meredith organizations may use the intra-campus mail distribution. All student organizations must secure approval from the director of student activities and leadership development to use Meredith campus mail (Post Office) and commuter mail pockets for information distribution.

## **Jurisdiction of the College**

Students are expected to maintain at all times a high standard of personal conduct in keeping with Meredith principles. The College reserves the right to exclude, suspend or expel at any time any student whose academic standing or conduct is regarded by Meredith as undesirable or unacceptable.

### **Lake**

Near the Elva Bryan McIver Amphitheater is a lovely setting with a small lake—one of Meredith's well-known landmarks. Many Meredith students find the lake area perfect for study, quiet conversation, relaxation, or contemplation. Social events, such as picnics, are often held there, as are more official gatherings, such as Class Day and graduation exercises.

Use of the lake area is discouraged at night for security reasons. Swimming in the lake is prohibited.

## **Meredith Seal and Wordmark**

The Marketing and Communications Office oversees the College's Graphic Identity Program and maintains a style guide that provides specific information on proper use of the visual identity elements.

Meredith's seal is the official symbol of the College and should be used formally on College-wide event programs, documents, diplomas, certificates, and programs for official functions (convocations or commencement). The seal was designed in 1909 by Ida Poteat, professor of art, 1899-1940. Below the band running diagonally across the shield are pines symbolizing the State of North Carolina. The lighted torch illustrates Meredith's motto, the single word LUX, meaning light—the light of the mind and the light of the soul.

The Meredith College wordmark, redesigned in 1993 by the Marketing and Communications design staff, is the official identifier for the College. It should be used as designed and always should be reproduced from authorized art work, which is available in the Marketing and Communications Office. The wordmark and the seal may be printed in either black or PANTONE 201 burgundy. Use of departmental or other individualized logos is prohibited. Incorporating this wordmark, the College has adopted exact specifications for letterhead, envelopes, business cards, and other components of Meredith's official stationery program.

## **Off-Campus Events**

All college policies as stated in the Meredith Student Handbook shall be followed at all off-campus events sponsored by Meredith. Meredith students are expected to represent the College with dignity at all times. An "off-campus, College-sponsored function" is any event

or activity held off of campus grounds that is organized and hosted by Meredith College or a recognized campus organization(s). "College-sponsored" means that Meredith College is aware of and has approved the event or activity. "Recognized campus organization(s)" refers only to those listed in the Student Organizations section of the Student Handbook.

- Students shall not possess or consume alcoholic beverages at any College-sponsored function.
- Students shall not demonstrate inappropriate behavior at any College-sponsored function. Inappropriate behavior is any behavior by any person present at a College-sponsored function reflecting negatively upon Meredith College or resulting in an unreasonable risk or harm to that person or others. That person will be asked to leave a function if she/he demonstrates inappropriate behavior such as fighting, shoving, disruption of others' enjoyment, getting sick publicly, passing out, or wearing inappropriate dress.
- Meredith students shall not possess or consume illegal drugs at any College-sponsored function.
- Meredith students shall be responsible for informing their guests attending off-campus functions of College policies to be followed.
- Anyone violating these policies will be brought before Honor Council.

#### ***Procedures to be followed for off-campus, College-sponsored functions***

- The advisor to the group sponsoring an off-campus event shall be notified as to the time, place, date, and nature of the event. The organization advisor or a substitute from the Meredith faculty or staff must attend the following: any event that is held outside of Wake County, any major off-campus event held locally by an organization or any high risk event (i.e. horseback riding, ropes course, etc.) and any event or activity that uses the Meredith College vans or minibuses. In the case that there is not an advisor, the director of student activities and leadership development shall be notified.

### Section 1. *Meeting of the Association.*

#### A. Called Meetings.

The president of the Association may call a meeting of the Association at any time. A meeting must be called by her at the written request of ten percent of the members. This request must state the object of the meeting. A meeting also will be called in the event that Senate deems a Student Government Association meeting necessary.

All business meetings of the Association and its governing bodies shall be conducted according to Robert's Rules of Order.

### Section 3. *Quorum.*

If a two-thirds quorum is not present, the SGA President may invoke the one-tenth rule. Once this rule is approved by the majority of those present, it shall take effect for the transaction of ordinary business.

# Article III

## Procedures.

### Section 1. *Legislation/Regulation Procedure.*

#### A. Origin of Legislation/Regulation Concerns and Proposals.

Legislation/regulation concerns and proposals may originate from any member of the Meredith community and be presented to the appropriate branch of the Student Government Association. Legislation is any change in the SGA constitution. Regulations are any rules and guidelines not found in the SGA constitution.

#### B. Consideration of Legislation/Regulation Concerns and Proposals.

1. Once a legislation/regulation concern or proposal is presented to the appropriate branch, the branch will consider whether or not to take action on the concern or proposal. If the branch chooses to take action, it will work with its constituents within its jurisdiction to address the concern or proposal.

2. If a concern or proposal is deemed an official legislation/regulation change, the originating branch shall inform the SGA Executive Committee of the proposed change and send the concern or proposal to Senate, which may either approve or reject the change (See Constitution of the Student Government Association, Article X, Section 3D,E).

3. If approved by Senate, a legislation/regulation change will be referred to the SGA Executive Committee. If the SGA Executive Committee rejects the change, it shall give a written reason for refusal to both Senate and the originating body. If

approved, the change will be sent to the appropriate college vice president. Legislation changes will always be referred to the vice president for college programs.

1. The appropriate college vice president may take one of three actions.
  - a. If approved by the appropriate college vice president, the legislation/regulation change shall be sent to the appropriate channels through which it will take effect.
  - b. If amended by the appropriate college vice president, an explanation of the vice president's action must be sent to the SGA Executive Committee. The amended legislation/regulation change will go back to the originating body and Senate for approval. If both bodies approve the amended change, it will then be referred to the SGA Executive Committee for final approval, after which it will take effect.
  - c. If the appropriate college vice president vetoes the legislation/regulation change, an explanation will be sent to the SGA Executive Committee, Senate, and the originating body.
5. If the appropriate college vice president does not take action on the proposed legislation/regulation change within a two-week period, a special conference will be called by the chair of the originating body to discuss the proposed change. This conference will consist of the appropriate college vice president, SGA president, Senate chair, and chair of the originating body.

## **Section 2. Judicial Procedure.**

### **A. Preliminary Procedure.**

This procedure shall be followed by the Honor Council in the preliminary investigation of cases.

1. *Initiation of Charges.*
  - a. When an accusation is made to the solicitor general by a member of the College community (any student, faculty member, administrator, staff member, or person directly serving the College), a thorough investigation of the charges shall be undertaken by the solicitor general.
  - b. Formal charges following investigation shall be served on the student by the summons signed by the solicitor general.
  - c. The summons shall be delivered to the student by the solicitor general in person, in private, and in writing at least seven days prior to the time set for hearing.
  - d. The summons shall specify the charge, the time, and the place of the hearing.
  - e. The solicitor general shall notify the chair, support counselor, secretary, clerk, and the dean of students of the initiation of formal charges.
  - f. Prior to any discussion of the alleged offense between the student and the solicitor general, or any college official investigating the matter, the student shall be informed of her rights. Failure to inform the student of her rights shall cause all incriminating statements made by her prior to such time to be inadmissible in any proceeding on the alleged offenses.

g. The solicitor general shall present the student with the alternatives open to her in responding to the formal charge after informing her of the following rights granted under this instrument:

1. The right before the hearing to written notification of hearing, time, place and charge.
  2. The right to be presumed innocent until proven otherwise through clear and convincing evidence.
  3. The right to refuse to respond to questions that would tend to be self-incriminating.
  4. The right to a fair, impartial, and confidential hearing.
  5. The right to a speedy hearing.
  6. The right to the services of the support counselor, if she so chooses, or a council of her own choosing from among the students presently enrolled at the College who have no formal legal training.
  7. The right to present material and character witnesses from members of the Meredith College community only, and to testify and present evidence in her own behalf. Written testimony from off-campus persons may be presented at the hearing.
  8. The right to a separate hearing upon request.
  9. The right to know the evidence and to face witnesses testifying against her.
  10. The right to question any material witnesses or to challenge and refute any evidence.
  11. The right to plead innocent without fear of being tried for lying in relation to that plea if proven guilty. (This right does not disallow being tried for lying if the student lies in order to support a plea.)
  12. The right to a tape of the presentation at the hearing, if notification is given within 48 hours of the hearing, for the benefit of the student in the appeal to the Review Board.
  13. The right to immediate oral notification of the Honor Council's findings regarding decision and sanction. If the student is not present at the hearing, the chair will write or call her at the first opportunity. The secretary will deliver Official Notification of the Honor Council action to the student.
  14. The right to be free from a retrial under this procedure for the same offense, after acquittal under this procedure.
  15. The right to submit an appeal by noon on the Wednesday following her Honor Council hearing.
  16. The right to waive any of the above rights after explanation of the possible consequences, provided that the waiver is made of the student's own free will and in writing.
- h. If the student fails to appear before the Honor Council and the Honor Council chooses to proceed with the hearing, all hearing-related rights shall be automatically waived, and the defendant may be subject to a more severe sanction if deemed appropriate by the council.
  - i. In response to the student's right to the service of the support counselor:
    1. If the student waives her right to the service of the support counselor, she and the solicitor general

shall have the preliminary conference at which time the solicitor general shall obtain the facts of the case and a plea from the student. (This waiver brings to an end the preliminary procedure.)

2. If the student exercises her right to the service of the support counselor, she and the support counselor have a preliminary meeting to discuss the facts and determine the plea. The next step in this case is the preliminary conference.

3. Service of a support counselor is not available during the summer.

j. Honor Council reserves the right to hear an emergency hearing if a student is of harm to herself, her community or has been arrested off-campus on a felony charge. The Emergency Board shall consist of the Honor Council chair, support counselor, solicitor general, Honor Council advisor, Dean of Students, a faculty representative, and two Honor Council board members.

## **2. Preliminary Conference.**

a. In order to enable the student to prepare a defense, a preliminary conference must take place at least ninety-six (96) hours before the hearing. However, upon request for waiver by the student, the hearing may be held in a period either less than or greater than ninety-six (96) hours. Request for departure from the time requirement shall be filed by the student with the solicitor general.

b. The support counselor and the student shall meet with the solicitor general for the preliminary conference at which time the summons shall be issued. The plea and facts shall be presented to the solicitor general and the solicitor general shall explain the charge and the nature of the evidence against the student.

c. The plea presented to the solicitor general during the preliminary conference cannot be changed within the immediate twenty-four hour period prior to the hearing.

d. Upon revelation of the facts of the case, any material witnesses shall be served with a written summons by the solicitor general to appear at the hearing. Failure to comply with such a summons is a violation of the Honor Code and shall be treated as such. No material witness may appear in a hearing who has not been officially summoned by the support counselor or the solicitor general.

e. Character witnesses may be contacted by the student and must comply with deadlines set by the support counselor. Members of the Meredith College community may appear at the hearing while nonmembers are invited to submit letters which will be read at the hearing.

## **B. Jurisdiction.**

1. After completion of the preliminary procedures, the case is presented to the Honor Council. During the presentation of a case, any member of the Honor Council may question a student but only in areas directly related to the case. The five voting members of Honor Council, who serve on a rotating basis, shall render a decision and determine appropriate sanctions by simple majority. In the event of a tie vote on either accepting a plea or rendering a decision by voting members of the Honor

Council, the chair of the Honor Council shall cast the deciding vote. The student is notified of the decision and sanction in writing at the conclusion of the hearing. The chair or solicitor general of the Honor Council also notifies the accuser (if he/she is a staff or faculty member) and the vice president for college programs of the decision and sanction. In the event of delay of graduation, suspension, or expulsion, if after a 48-hour period following her notification the student has not appealed, the decision will be submitted to the president of the College for final approval.

2. The student may appeal any Honor Council decision. The route of appeal begins with the Review Board, whose action is final except in cases involving delay of graduation, suspension or expulsion. All cases of delay of graduation, suspension and expulsion go to the president of the College for approval.

3. A tape will be made of the hearing (not including the deliberation), and the student will be allowed a copy at her own expense. This tape is for the benefit of the student in an appeal to the Review Board. If she fails to give notice of desiring a copy of the tape within 48 hours of oral notification of the Honor Council decision and sanction, the tape will no longer be made available to the student.

4. In the event that a student fails to respond to her summons to appear before the Honor Council, the Honor Council may choose to proceed with the hearing without the student present. Such action by the student shall be considered a violation of the Honor Code and deserving of a sanction.

## **Section 3. Review Board.**

### **A. Method of Appeals to Review Board.**

A student may appeal to the Review Board by giving a written notice of her appeal to the vice president for college programs by noon on the Wednesday following her Honor Council hearing. The notice of appeal must plainly identify the charge from which the appeal is taken and state a reason for the appeal. The Review Board hearing shall typically occur on the Friday following the receipt of the notice of appeal unless preempted by another student appeal.

### **B. Record of Appeals.**

The appeal is considered solely on the record of the Honor Council proceedings. (This record consists of the minutes and the tape recording of the proceedings. The Honor Council secretary shall be responsible for making the Honor Council records available to the Review Board 48 hours before the review.)

### **C. Consideration of Appeal: Scope of Review.**

#### **1. Consideration of Appeal.**

The Review Board shall consider the appeal based solely on the record. It shall not receive any new evidence. It may permit written briefs, oral arguments, or both, by the student charged, the support counselor, or the solicitor general upon their request. Such briefs and arguments shall be confined to matters considered by the Review Board to be within the scope of its review as defined in the following paragraph. An appellant shall have a maximum of five minutes to present her appeal.

## **2. Scope of Review.**

Review of hearing is confined to these questions: (1) whether there is clear and convincing evidence in the record to support the decision and/or the sanction; and (2) whether the hearing was free of substantial error prejudicial to the student charged which would have affected the outcome; and (3) whether the sanction imposed is appropriate to the offense (looking at total context).

## **D. Determination of Appeal: Notice of Action.**

### **1. Determination of Appeal.**

Members of the Board sitting on an appeal shall review all records of the Honor Council proceedings and any written briefs. The members sitting on an appeal shall together then hear such oral arguments as are received, and the Board shall reach a decision. A majority vote shall decide the action on the appeal both in respect of the finding of violation and of the imposition of a sanction. A decision shall be rendered within seven (7) days after receipt of the appeal unless an extension is deemed necessary by the Review Board.

### **2. Notice of Action.**

Written Notice of Action taken on appeal shall be given in person by the secretary of the Board to the student charged within 24 hours of the Board's decision.

## **E. Action Available to Review Board.**

On the basis of its review of the record and its consideration of any briefs and arguments received, the Review Board may; (1) affirm both the findings of violation and the sanction imposed; (2) remand for a rehearing if it determines that substantial error prejudicial to the student charged was committed at the hearing; (3) reverse and dismiss the charge if it determines that there is not substantial evidence on the record to support a finding of violation; (4) affirm the finding of violation but reduce the sanction to one deemed more appropriate than that imposed; or (5) where violation was admitted, reduce the sanction to one deemed more appropriate.

## **F. Finality of Action on Appeal by Review Board.**

The action of the Review Board is final except in cases of remand, and except for the right of the student charged to appeal to the president of the College in cases provided in paragraph G.

## **G. Appeal to President of the College.**

In cases wherein the Review Board affirms a sanction of delay of graduation, suspension or expulsion, the student charged may appeal the sanction to the president of the College within 48 hours of the Review Board's decision. The student shall present her appeal in writing to the vice president for college programs who shall then present the appeal accompanied with relevant case documents to the president. Review is based solely on the record of the appeal presented before the Review Board and any written brief filed with the Review Board by the student charged. The president of the College may, in a conference with the student charged, hear and consider oral argument but may not consider any new evidence. Review by the president of the College is confined solely to the question of appropriateness of the sanction in total context. The president of

the College shall reach a decision with the help of an advisory committee and give a formal written notice within ten days after receiving the written notice of appeal. She may affirm the imposition of a sanction by the Review Board or change it to one deemed by her to be more appropriate. The action of the president of the College is final.

## **Section 4. Residence Hall Hearings Committee.**

### **A. Method of Fine Appeals to Residence Hall Hearings Committee.**

A student may appeal a residence hall fine to the Residence Hall Hearings Committee by giving a written notice of her appeal to the clerk within 48 hours of receiving the fine. The written notice must identify what fine is being appealed and why the fine is being appealed. The clerk will notify the appellant of the date and time of the hearing.

### **B. Consideration of Fine Appeals.**

The clerk will introduce any material and/or character witnesses. The appellant shall have a maximum of five minutes to present her appeal. Members of the committee sitting on an appeal may ask questions of the material witnesses and appellant. The committee shall reach a decision by majority vote while the appellant waits in another room. The decision of the committee is final. Written notice of the decision shall be given by the clerk.

### **C. Procedure for Minor Violations of Residence Hall Policies.**

This procedure shall be followed by the Residence Hall Hearings Committee when a minor violation of residence hall policy is referred by the solicitor general of the Honor Council.

1. The solicitor general of the Honor Council provides the clerk with the information from the preliminary investigation of the case.
2. Prior to any discussion by the student and the clerk of the alleged offense, the accused shall be informed of her rights.
  - a. The right before the hearing to written notification of hearing time, place, and charge.
  - b. The right to be presumed innocent until proven otherwise through clear and convincing evidence.
  - c. The right to refuse to respond to questions that would be self-incriminating.
  - d. The right to a fair, impartial, and confidential hearing.
  - e. The right to a speedy hearing.
  - f. The right to testify and present evidence on her own behalf.
  - g. The right to have one character witness from the Meredith College community.
  - h. The right to a separate hearing upon request.
  - i. The right to know the evidence and to face witnesses testifying against her.
  - j. The right to question any material witnesses or to challenge and rebut any evidence.
  - k. The right to plead innocent without fear of being tried for lying in relation to that plea if proven otherwise. (This right does not disallow being tried for lying if the student lies in order to support a plea.)

l. The right to a tape of the hearing, if notification is given within 48 hours of the hearing, for the benefit of the student if she requests a retrial of the hearing with the Honor Council.

m. The right to immediate oral notification of the Residence Hall Hearings Committee's findings regarding decision and sanction. The student will receive a written notification of decision and sanction from the clerk.

n. The right to request, within 48 hours of the hearing, a retrial with the Honor Council.

o. The right to waive any of the above rights after explanation of the possible consequences, provided that the waiver is made of the student's own free will and in writing.

3. After informing the student of her rights, the clerk shall explain the procedures of the hearing, explain the charge and the nature of the evidence against the student, and provide a hearings summons stating the date, time, and place of the hearing. The student must tell the clerk in advance of the hearing the name of her character witness if she chooses to have a witness.

4. The vice chair of the Residence Hall Board chairs the hearing. A tape will be made of the hearing. During the hearing, the clerk presents the evidence and material witnesses. The student then testifies on her own behalf and invites her character witness to join the hearing when directed by the vice chair of the Residence Hall Board. The members of the committee are allowed to ask questions of the clerk, witnesses, and student. The committee will reach a decision by majority vote while the student waits in another room. The clerk notifies the student of the committee's decision orally and in writing. In the event that the student fails to appear for the hearing, the committee may choose to proceed in her absence.

5. The clerk shall submit written decisions to the vice chair of the Residence Hall Board, the chair of the Honor Council, the solicitor general of the Honor Council, the advisors of the hearings committee and the Honor Council, the director of residence life, the dean of students, and the vice president for college programs.

### **Section 5. *Senate Standing Committees.***

#### **A. Student Organization Concerns Committee.**

1. Any student who has an organizational concern shall fill out a Student Organization Concern Form, located in the Office of Student Activities and Leadership Development and outside the SGA Office.

2. The student should return the form to the Senate box, located in the Office of Student Activities and Leadership Development.

3. A member of the Student Organization Concerns Committee will contact the student before the next Senate meeting to confirm that her concern has been received.

4. The Student Organization Concerns Committee will investigate the concern based on procedural guidelines approved by the SGA Senate.

5. A copy of the procedural guidelines can be ob-

tained from the SGA Senate Chair or from the Office of Student Activities and Leadership Development.

#### **B. Active/Inactive Committee.**

1. The committee will look into whether an organization is following its constitution (i.e. officer positions filled, purpose, meetings, etc.).

2. The committee will send a letter to the organization president and advisor informing them that their organization is being reviewed to determine whether the student organization is active or inactive.

3. The organization will have a grace period, to be determined by Senate, in order to regroup and reorganize in order to avoid inactive status.

4. If the organization is in consideration of becoming inactive, an article will be submitted in the Meredith Herald, notifying the Meredith community. Students will have the opportunity to assist the student organization in keeping its active status.

5. At the end of the grace period, the student organization will be taken to the Senate and voted upon as active or inactive.

### **Section 6. *Procedure for Removal from Office.***

#### **A. Offices Subject to Removal.**

Any student holding any position (i.e., officer or chair/co-chair) within any recognized campus organization may be removed from office if she is not performing her duties as outlined in her organization's constitution or job description or for a failure to uphold the Code of Ethics for student leaders.

#### **B. Procedure for Removal.**

Before the student can be removed from office, the president, chair, or advisor of the organization must issue an oral warning stating what duties are not being performed. If the student continues not performing her job, the president, chair, or advisor must issue a written warning. If this situation persists after the warning, the president, chair, or advisor must remove the student from her position. Once the student is removed, the Office of Student Activities and Leadership Development must be notified in written form of the removal. (For additional information, see Article VI, Section 1-D.)

### **Section 7. *Appeals Process for Removal from Office.***

Any student holding any position within any recognized campus organization who has been removed from office for not performing her duties as outlined in her organization's constitution may appeal this decision. She should appeal this decision in writing to the highest presiding officer and/or advisor in her organization. The organization should then implement an appeals process to consider the appeal. If this appeal is denied, she may further appeal to the Student Organization Concerns Committee of SGA Senate by completing a Student Organization Concerns form, available in the Office of Student Activities and Leadership Development and the SGA office. The Student Organization Concerns Committee will hear the appeal based on SGA Senate-approved guidelines.

## Mission Statement

In response to the ever-changing needs of college students, the residence life staff provides a program of student services designed to enrich the quality of life of Meredith students. By offering programming and counseling, maintaining safety, and intervening in crisis situations, we provide an environment conducive to student success at Meredith.

The philosophy of the residence life staff is one that recognizes and affirms the uniqueness and worth of each student and her potential for growth. To enhance and supplement the classroom experience, the residence life staff promotes activities, programming and community building which contribute to the holistic development of the student. The residential setting, as a living/learning dimension of campus life, is perhaps the single

most important synthesis of classroom learning and college experience and activity.

A commitment to the living/learning environment provides the motivation for community building that serves students and provides opportunities for intellectual, physical, social, emotional, spiritual, and professional growth. The Residence Hall Association provides the structure for the governance of residence halls and is instrumental in planning and monitoring campus communications as well as special residence hall and campus programming. Residence hall presidents, resident assistants, and residence directors assess and respond to the particular interests and needs of their students and select interesting, challenging, informative, and entertaining programs, speakers, and events.

# We're Here to Help

Resident students at Meredith enjoy many opportunities while living on campus. Enjoyment of these opportunities depends upon personal involvement as well as personal commitment to the welfare and needs of residents living together. Each resident must take personal responsibility to abide by the rules and regulations, so the group as a whole can function effectively and benefit from the creative interaction of residence life.

The residence life staff provides a program of student services designed to enrich the quality of life for Meredith students. The residence life staff includes the director of residence life, residence life assistant, residence directors, resident assistants, the residence hall association, and the residence hall councils.

## Residence Directors

Residence directors (RDs) are full-time staff members who live in the residence halls on campus. RDs are trained in the areas of student development, crisis intervention and counseling skills as well as how to assist students with social, emotional, and academic concerns. They perform a variety of duties on campus, work through the Office of Residence Life, and are available to assist students with questions or concerns. Residence directors supervise the resident assistants of the building and serve as a resource to their residents and students on campus.

Emergencies should be reported immediately to the residence director on duty, who maintains contact with security.

If you need to contact the Residence Director on duty, call the cell phone at (919) 612-6350 (leave voice mail message if there is no answer).

# Getting Involved in Your Residence Hall

## Community Agreements

A community agreement is a contract among the residents regarding certain features of community living such as when to hold quiet hours; what is an acceptable noise level during non-quiet hours or "courtesy hours;" how residents want to use the laundry room such as having a sign-up system or first-come, first serve; and the expectation of how residents will communicate with one another about individual concerns.

Resident assistants and residence directors will be facilitating the Community Agreement process in the fall semester.

## Hall Council

Students are encouraged to become active and contributing members of their hall communities by helping their neighbors, developing hall themes, joining the Hall Council, attending hall meetings, assisting

with enforcing quiet hours, and attending residence hall programs and activities.

One of the best ways residents can meet people and become active in their residence hall community is to serve on the Hall Council as a floor representative. Each residence hall has a Hall Council to assist with governance as well as social and educational programming. The Hall Council is composed of the residence hall president, two or more representatives from each floor, the resident assistants, and the residence director, who also serves as the advisor.

## Hall Meetings

Freshman hall meetings are held during the week of freshman orientation and throughout the fall. Upperclass hall meetings are held during each semester as necessary.

Hall meetings are used as times to discuss community issues, upcoming programs, and other campus information. Attendance is required at all hall meetings.

The staff of each residence hall sponsors a variety of social, cultural, educational, recreational, and community service programs and activities.

At the beginning of the year, your RA will ask for suggestions about the types of programs and activities that interest you.

Getting involved in the programs and activities that occur in your building will help you to learn about yourself, your community, and the world around you!

# Home Improvement

Each resident is provided a standard size bed, dresser, desk, chair and closet. Some students coordinate bed-spreads and discuss color schemes with their roommates before even setting foot into their room of bare walls and stripped beds. Others let the room evolve. All students find a way to make their room a home away from home for themselves.

Decorating a residence hall room can be one of the most creative “budget” efforts a student ever undertakes. The key to residence hall decorating is learning to incorporate existing furniture with flexible items you add like carpet or free-standing shelves. Posters and personal knick knacks can warm up your room. Just remember to keep it safe (no candles or possessions that are fire hazards—see pages 148-149 for complete fire hazard information) and keep it temporary (you’ll want to leave the room as you found it). Have fun!

## Roommates

Students will tell you that some of the biggest unfounded fears about college relate to having a roommate. It is true that it is rare for roommates to agree on everything, but, when roommates take the time to learn about each other and to talk about each other’s likes and dislikes, they quickly pave the way for positive living experiences.

It helps to begin thinking about how you can be a good roommate to someone else.

Here are some tips about being a good roommate:

- Communicate.
- Set boundaries.
- Respect privacy.
- Resolve conflicts.
- Be open and friendly.
- Be understanding.
- Ask before you borrow.

**Remember:** Give your roommate the courtesy of speaking to her first about any problem before she hears it from someone else on the floor.

## Roommate Agreement

Each set of freshman roommates will complete a roommate agreement during their first week together as roommates. This Roommate Agreement should be helpful as you negotiate the guidelines you want to follow in your roommate relationship.

## Roommate Bill of Rights and Responsibilities

- The right to read and study free from undue interference in one’s room (unreasonable noise and other distractions inhibit the exercise of this right).

- The right to sleep without undue disturbance from noise, guests of a roommate, etc.
- The right to expect that a roommate will respect one’s personal belongings.
- The right to a clean environment in which to live.
- The right to free access to one’s room and facilities without pressure from a roommate.
- The right to personal privacy.
- The right to address grievances. Residence hall staff are available for assisting in settling conflicts.
- The right to be free from fear of physical and/or emotional intimidation.

## How to Make it Work

Once you’ve talked about each other’s likes and dislikes, read through the Roommate Agreement and complete the form. Remember to talk with your roommate if something is bothering you. The sooner you talk about it, the sooner you can resolve your concerns. If you are nervous about talking with your roommate, you’ll find that your resident assistant or residence director can be very helpful as you work through your differences.

## Learning Together

Once your roommate relationship has developed past the adjustment period, you’ll find the experience of getting to know your roommate can be one of the most rewarding experiences of your college years.

## Residence Hall Procedures

### Housing Contract

A student who lives on campus signs a contract for student housing and pays a non-returnable \$150 advance room fee that is applied to her account for the following year. The contract is binding for one academic year, consisting of fall and spring semesters of the same academic year. Students are responsible for meeting all terms of the contract. Any student who breaks her contract is subject to an additional \$500 fee.

### Check-in Procedures

Each resident student must secure a key to her room and complete both a Room Condition Report and an Emergency Contact Information card.

If room changes occur during the academic year, all keys must be returned and exchanged for keys to the new room.

### Check-Out Procedure

1. Make an appointment with the RA to complete room check-out.

2. Remove all belongings from the room.
3. Put all trash in appropriate containers.
4. Clean and sweep room and bathroom and clear walls. (Do not sweep trash into the hall.)
5. Be sure all college furniture is in the room.
6. Meet with the RA for room check for cleanliness and damages. (Residence life staff makes a preliminary inspection; housekeeping staff make the final inspection.)
7. Both the student and the RA sign and date the Room Condition Report.
8. Leave room key and Room Condition Report with the RA. The last occupant to check-out locks the bathroom connecting door, then locks the door to her room before turning in her Room Condition Report and key.
9. Students vacating the residence halls are expected to do so within 24 hours after terminating their housing contract. Failure to check out properly will result in a \$50 improper check out fee and \$50 lock and key replacement fee.
10. The room must be in the same condition it was in upon arrival.
11. A student who withdraws from the college must move out within 24 hours.

## Withdrawing

A student who is withdrawing should make an appointment with the dean of students to complete a withdrawal form. A student not planning to return to school following the semester break must remove all belongings before leaving for break. A student who, during the semester break, decides not to return to school must remove all belongings prior to the date students return to campus.

## Keys

Keys are not to be duplicated and are to be returned when the room is vacated. Lost keys are to be reported immediately to the Office of Residence Life with a request for a lock change.

A charge will be assessed for a lock replacement and new key. The charge for a new key is \$10. The charge for a new lock and two new keys is \$50.

## Responsibility for Damage

Residents will be held responsible for damage to residence hall buildings or furniture and will be charged cleaning and damage fees where they have caused damage to their own rooms or common areas. Students who steal or vandalize are referred to the Honor Council. The cost of repairs for damage of campus areas will be shared by the students responsible or, if no one takes responsibility for the damage, by all resident students served by the damaged common area.

## Lock-outs

Students should keep their doors locked and carry their keys at all times. When a student is locked out of her room, she should contact the following people accordingly:

*8 a.m. – 5 p.m.*

A loaner key can be picked up from the Office of Residence Life, 2<sup>nd</sup> floor Park Center. There is no charge for using the loaner key if it is returned within 60 minutes. If the key is not returned, the resident can be charged \$50 for a lock change and new keys.

*5 p.m. – 11 p.m.*

Contact the RD on duty at 919-612-6350. A \$10 fine can be charged for door opening.

*11 p.m. – 8 a.m.*

Contact Campus Police at 919-760-8888

A \$10 fine may be charged each time a master key must be used to open a locked door and can be added to a student's account. A student will be required to show her Meredith CamCard before the door will be unlocked. For repeat lock-outs a student can be charged a higher fine.

## Residence Hall Closings

Residence halls will be available during Fall Break, Thanksgiving, Spring Break, and Easter break. Residence halls will be closed during the time between fall and spring semesters. For safety purposes:

- Residents who do not stay on campus are encouraged to unplug their room belongings in case of severe weather or electrical surges. The college is not responsible for damages for items left plugged in during a campus break.
- Residence hall staff will check rooms to ensure that everything is turned off and the doors are locked. Staff will test room smoke alarms at these times.
- For assistance during a campus break, contact the RD on duty at (919) 612-6350 or Campus Police at x8888.

## Housing Assignments

The College reserves the right to move a student to a different room at any time if a reassignment is deemed appropriate by the director of residence life and/or the Dean of Students.

## Grievance Procedures

### *Housing Problems*

A student who experiences a housing problem during the academic year should discuss the problem with the resident assistant responsible for her floor or the residence director responsible for her residence hall. If the problem cannot be resolved through discussion

with the resident assistant or the residence director, the student may make an appointment with the director of residence life for further consideration.

## Room Change Procedure

Residence directors are available to assist students with room changes. Residents requesting a room change are encouraged to meet first with their RD to discuss their options for changing rooms.

Students may move from one room to another with permission from the RD or the director of residence life. Students may change rooms without charge.

Room changes will take place after the 10th day of classes each semester.

In order to make a room change:

1. Obtain a Room Change Form from the Office of Residence Life or from an RD.
2. Meet with residence life staff to discuss your request.
3. Once approved for a room change, complete and secure the signatures of all involved and take the form to the Office of Residence Life.
4. Follow the proper Check-In/Check-Out procedures as outlined earlier in this section.
5. Move.
6. Return former room key to RD.
7. Residents who move and don't turn in their old room key will be billed \$50 for a lock change and new keys.

Follow check out procedures for old room and check in procedures for new room.

Residents who do not follow proper room change procedures will be charged \$50.

## Vacancies and Private Rooms

When a vacancy occurs in a double occupancy room and space allows, the Office of Residence Life will contact the remaining occupant to give her the option of paying for a private room (at a cost of one and a half times the regular rate), finding a roommate within a specific period of time, or moving in with another resident. If the student does not pay for a private room, find a roommate, or move, residence life staff can add a roommate without prior notice any time the space is needed. A student who lives in a double room with a vacancy must keep her room available to receive a roommate at any time by leaving one dresser and one closet empty. If you need assistance finding a roommate, please contact the Office of Residence Life or your RD.

A student will be allowed to move into an unoccupied room if she pays the private room fee which is one and a half times the regular rate. The private room option is only available if there is space and with approval of the director of residence life.

If one student occupies a double occupancy room, she has the following options:

- move to another room with another student
- have another student move in with her
- pay the private room fee so that a roommate will not be assigned
- be assigned a roommate at any time a space is needed

A student with a communicable disease or who exhibits inappropriate and unacceptable community behavior may be required to move off campus.

First year students are not permitted to rent a double room as a private room unless approved by the Dean of Students.

## Insurance Claims

The college is not responsible for the loss or damage of personal property in the residence halls. In most cases, a student's personal property is covered under her family's homeowners insurance. When this coverage does not apply, students should secure insurance coverage under a renter's policy.

## Residence Life Policies

### Honor Council

The Honor System is a long-cherished tradition and a basis for all life at Meredith. It is essential that each student commit herself to abide by and uphold Meredith's Honor Code and system of self-government. A student violating college policies included in the "Residence Life Guide to Community Living" or the Student Handbook will be obligated to report herself to the solicitor general of the Honor Council. Detailed information is included in the Student Handbook, pages 164-168. Ignorance of a rule or regulation shall not be accepted as a defense by the Honor Council.

### Residence Hall Hearings Committee

The Residence Hall Hearings Committee is a branch of the Honor Council. The solicitor general assigns hearings to the Residence Hall Hearings Committee. Students appealing a residence hall fine should contact the clerk of the Residence Hall Hearings Committee. Detailed information is included in the Honor System section of the Student Handbook.

### Alcohol and Drug Policy

See page 170.

### Smoking Policy

All residence halls at Meredith College are smoke-free environments. Residents who smoke must do so outside of the buildings in designated areas. Students who are found to be smoking inside will be fined. A second smoking offense will result in the student being referred to the Residence Hall Hearings Com-

mittee for disciplinary action. See page 170, for more information on the smoking policy.

### Baby Sitting Policy

Baby sitting is not permitted on campus regardless of the age of the child. Baby sitting includes hosting family members with young children or watching young relatives regardless if services are paid or voluntary. The residence halls are not an appropriate community for young children, especially infants.

### Bicycle Policy

Bicycles are to be registered with the campus police. There is no charge for this service. Bicycles are to be stored in the bike racks outside the residence halls unless they can be disassembled and stored in the student's room in such a way as not to create a fire hazard or infringe on a roommate's space. Bicycles found anywhere other than in the bike rack or in the student's room will be impounded by campus police to be returned to the student at the end of the semester. The penalty for violation of this policy is a \$15 fine.

### Married Students

Married students who meet the residence requirements may live in the Meredith residence halls under the following conditions:

- On-campus housing for a married student must be approved by the director of residence life.
- All student government regulations apply to married students according to their academic classification.
- All residence hall rules and regulations apply to married students.

### Residence Requirements

Campus residence halls are living/learning environments that provide supportive communities for student development. 1. Freshman and sophomore students under the age of 23 must live in the residence halls or reside with their parents, husbands, or (with special permission) another close relative. Freshman and transfer students who enter the College over the age of 21 may apply to live off campus. Housing contracts are for the entire academic year.

Along with at least a 2.0 GPA, students must have at least 60 hours or have resided four semesters in the residence halls. Transfer students who meet established eligibility

requirements as stated on the transfer application for admission may apply as commuting students under the off-campus housing option. Requests are available in the Office of Residence Life.

3. Campus housing is available to undergraduate degree-seeking students, including students in the 23+ program.

5. Students interested in housing during the summer terms must check with the Office of Residence Life for housing options and stipulations.
6. The cost of health services and meals in the dining hall are included in the payment for room and board. Students who live off campus must pay a health fee in order to receive services from the Health Center. Students who live off campus must pay for any meals eaten in the dining hall.
7. Students who do not meet the requirements to live off campus but choose to do so can be charged the full amount of room and board for the academic year.
8. Residential policies will be reviewed annually.

### Right of Entry

Authorized college personnel, including but not limited to the dean of students, director of residence life, security officers, residence directors, and resident assistants, and facilities staff may enter student rooms at any and all times to assure that college policies are being upheld, to inspect, and to make such repairs to the space as the College may deem appropriate.

Students will not be allowed to enter another student's room in her absence for any reason unless the student who lives in the room has given written permission.

Inspectors entering a student's room will leave a notification of the inspection. Violations are to be corrected within two working days. Fines issued for violations will be added to a student's account. Follow-up inspections will be conducted to determine if corrective action has been taken. Failure to correct safety violations will result in disciplinary action, and item(s) will be confiscated.

### Room Searches

Meredith reserves the right to inspect all rooms in the residence halls at any time and as often as deemed necessary. Attention will be given to maintenance, safety, health hazards, room damage, and compliance with college policies. A student will be responsible for any damage she does to college property. A residence director has the responsibility and the authority to conduct an immediate room search if she suspects alcohol, drugs, or males in a residence hall room. The College also reserves the right to conduct room searches and motor vehicle searches with reasonable suspicion of a violation of college policies. Procedures will be followed to ensure the protection of the student and her property.

On occasion, an entire hall may be searched. If so, each resident of the hall will be asked to remain outside of her room until her room has been searched thoroughly. Her vehicle may also be searched. Careful procedures will be followed to insure that the search is conducted properly and as quickly as possible.

If a report is made to the solicitor general of the Honor Council that one or more students are suspected of violating the Honor Code (i.e., possession of alcohol, possession of drugs, males in residence hall rooms, theft of personal property), and no specific information is given about a particular room, a warning may be given to the entire hall by the solicitor general. If there is reason to believe that a violation has previously occurred in a specific room but there is no evidence of a current violation, a personal

warning may be given to the student(s) involved. If a hall warning or a personal warning is given and the problem persists, a search may be conducted.

### Theft of Personal Property

Residents who experience a theft or loss of personal property should alert Campus Police as soon as possible. Meredith is not responsible for the personal property of students. Families are encouraged to make sure that homeowner's insurance policies cover the student's residence hall property. If a student has evidence that another student is responsible for the theft, she should alert the campus police and solicitor general of the Honor Council.

## Facilities & Services

## Post Office

The Willie J. King Postal Center is located on the first floor of Cate Center. Although the mail room is not an official U.S. Post Office, stamps are available for purchase, and packages that do not require special handling will be accepted. These services are available between the hours of 8 a.m. and 4:30 p.m., Monday through Friday, while classes are in session. Outgoing mail that requires special handling may be taken to the Method Road branch of U.S. Post Office, which is located within walking distance of the campus.

Resident students are assigned a mail box number that corresponds to their room assignment. The number will change if a student moves to another room.

Student mail boxes have combination locks. Each student will be given her combination upon arrival to campus.

It is the student's responsibility to remember this combination. If you forget, you must show your CamCard to obtain your combination.

Student mail is put in mail boxes Monday through Saturday, except during student holidays. Students who receive packages by U.S. Mail or United Parcel Service (UPS) will receive package slips telling them to come to the window to pick up the packages. Students are required to bring their CamCards in order

to receive packages. Only the student the package is addressed to may pick up the package.

Outgoing mail pickup is 5 p.m., Monday through Friday.

The following example shows the proper format for a student mailing address:

*308 Poteat Residence Hall*  
*Meredith College*  
*Raleigh, NC 27607-5298*

## Telephone Services

Meredith provides telephone and voicemail service to each residence hall room. The charge is included as part of the student room fee. There is no installation charge or monthly service charge.

Students receive discount long-distance service through Alltel®. Individualized monthly statements are provided by Alltel and are paid to the company.

Students receiving repeated obscene or harassing phone calls should call campus police at 760-8888.

With respect to the College's wireless internet technology, resident students should use any style/type of phone other than 2.4 GHz. Residents may have 900 MHz or 5.8 GHz phones. Residents who have 2.4 GHz phones will be required to remove them. There is one telephone jack in each room. Students will only be charged for repairs made necessary as a result of abuse. Decisions concerning charges will be made by the technician at the time of the repair and will be final.

## Technology Services

A campus-wide network provides e-mail and Internet access. All residence halls have wireless technology for access to the campus network. For information concerning residence hall room hook-up to the campus network, contact technology services at 760-2323.

## Time Warner Cable Services

All residence hall rooms have basic cable television channels. Arrangements for premium channel boxes (HBO, Cinemax, etc.) must be made with Time Warner Cable, Inc. All installation of boxes and cables is done by Time Warner. Students must provide the connecting cable from the wall to their TV. Any student experiencing problems should call Melanie Fitzgerald, the Meredith Cable Television administrator, at 760-2346.

## Maintenance Requests

Requests for maintenance, housekeeping, and grounds-keeping may be made to the facilities services office, 760-8560, or by completing a work order form on the Meredith College web site. ([www.meredith.edu/service/facservice/facserwo.htm](http://www.meredith.edu/service/facservice/facserwo.htm)). The work order link can also be found under Happenings on Meredith's E-news web page.

## Guests

A Meredith student is responsible for the appropriate behavior of her campus guests. A guest is expected to observe the same regulations as the Meredith student. Guests will be responsible for paying for all meals eaten in the dining hall. Meredith students are expected to escort their campus guests at all times while in the residence halls.

A guest should carry a photo ID while visiting campus.

### Female Guests

A female guest is allowed to stay overnight on campus only if her host is also on campus. When hosting a female guest, a student should respect the rights of her roommate regarding the behavior and length of stay of the guest. The host should register her guest (female) before 11 p.m. with her residence director, who will issue her a guest pass. If the guest arrives after closing hours, the student must register her with a security guard. The security guard may request identification of any guest coming in after closing hours. A guest will not be permitted onto campus if she does not have a guest pass or is not accompanied by her Meredith host.

Residents are permitted to host the same guest for a maximum of three nights within a 30-day period.

### Male Guests

Except during an Open House for reasons of privacy and security, male guests are allowed in the residence halls only in first floor parlors and only when accompanied by a Meredith student. A student should inform a male guest of the location of an outdoor campus phone from which he can call to communicate his arrival on campus.

All male guests must enter and exit the residence halls through the first floor parlor.

Residence directors may grant special permission for men to carry heavy items to or from a student's room (heavy items include: refrigerators, heavy trunks, book shelves, heavy furniture, unusually bulky or large items). This permission is a privilege; therefore, men should not linger on the halls after they have completed the task for which they were granted permission.

The person giving permission to a male to carry things onto the hall is responsible for checking to make certain the male vacated the hall. Residents are expected to announce "male on the hall." They are to escort their helper out of the building within 15 minutes.

Fathers of Meredith students and brothers under the age of 12 are allowed in the residence halls at any time before closing hours provided they are escorted by the Meredith student to and from her room.

Males unaccompanied by a Meredith student are not allowed in the courtyard after dark unless they are en route to a residence hall first-floor parlor for an arranged meeting.

Other campus locations for visiting with male guests:

- Weatherspoon Gymnasium during the hours posted by the department of Health, Exercise and Sports Science. Equipment must be returned to its proper place upon leaving. (Note: No guests may use equipment in the Margaret W. Parker Fitness Center).
- Cate Center including the Bee Hive Cafe, lounges, and supply store.

## Safety Restrictions

- Males unaccompanied by a Meredith student are not allowed in the courtyard after dark unless they are on their way to a residence hall first-floor parlor for an arranged meeting.
- Males are not allowed on campus after closing hours (1:00 a.m. Sunday-Thursday; 2:00 a.m. Friday and Saturday) except to accompany students to their residence halls. Then the men must immediately leave campus.
- Use of the lake area at night is discouraged.
- Any questions—call the RD on duty at 612-6350.

## Open Houses

After Labor Day weekend in the fall and after Martin Luther King, Jr., Holiday in the spring, Open Houses are planned for:

<i>Fridays</i>	<i>5 p.m.-12 a.m.;</i>
<i>Saturdays</i>	<i>12 p.m.-12 a.m.;</i>
<i>and Sundays</i>	<i>12 p.m.-7 p.m.</i>

No Open Houses are held during exams. All open house weekends are listed in the Student Handbook and Activities Calendar. Freshman residents are required to sign in and sign out their guests.

# Safety Procedures

## See pages 146–149 and 216–217.

Residents should refer to the Security, Safety and Emergency Procedures section of the Student Handbook, pages 146-149. Also see pages 216-217, in this "Residence Life Guide to Community Living."

## FAQs

### Can I have a car on campus and where do I park?

At the beginning of each semester, all students may bring a car on campus by signing the appropriate agreement, paying the parking permit fee, and displaying the numbered decal on the car. Decals must be affixed permanently with the decal's adhesive to the rear bumper or rear window of the car. Decals may not be taped to the rear window or bumper. Forms and decals may be obtained from the Campus Police Office. Adequate parking is provided for all those who qualify. Annual resident permits cost \$175. Detailed parking information and regulations are in the Student Handbook, pages 170-171.

### What is a CamCard?

All Meredith students are required to have and carry a Meredith picture identification card called the CamCard. CamCards are required of all individuals in order to check out library materials, for student access to residence halls, and for general identification purposes around the campus. Resident students must use the CamCard for Meredith dining services. Identification cards are made free of charge in the CamTel/CamCard Office, first floor Johnson Hall. Detailed information on CamCard use policies can be found in the Student Handbook, page 172.

### What if I need health services?

The Health Center staff provides clinical care for minor illnesses, health education, emergency care, health protection, and disease prevention services for students. Services are maintained under the direction of the director of health services and the college physician. A student health form, furnished by the College, must be completed and all immunizations documented and updated, if needed, prior to enrollment. Detailed information on health services and health policies are in the Student Handbook, pages 126-127.

## What is Meredith Beach?

Meredith Beach is the area surrounded by Faircloth, Brewer, Heilman, and Barefoot residence halls and is the only campus sunbathing area. The sunbathing area is restricted to women only.

## How do I respond if a person comes to my residence hall door selling or soliciting?

Members of the Meredith community enjoy protection of their rights of privacy. Solicitation by persons, organizations, or businesses is strictly prohibited unless authorized by the vice president for college programs or by the director of student activities and leadership development. Any use of College facilities by off-campus persons for purposes of solicitation, even those sponsored by campus organizations, must also be approved. Under no circumstances are off-campus persons allowed to solicit door-to-door. Any religious organization requesting to give a program or presentation is to be referred to the campus chaplain for approval. Students who are approached by individuals violating this policy should immediately contact a residence life staff member or security.

*We salute thee, Alma Mater, we salute thee with a song,*

*At thy feet our loyal hearts their tribute lay;*

*We had waited for thy coming in the darkness, waited long,*

*Ere the morning star proclaimed thy natal day.*

*Thou hast come through tribulation and thy robe is clean and white,*

*Thou art fairer than the summer in its bloom.*

*Thou art born unto a kingdom and thy crown is all of light;*

*Thou shalt smile away the shadow and the gloom.*

*In thy path the fields shall blossom and the desert shall rejoice,*

*In the wilderness a living fountain spring;*

*For the blind shall see thy beauty and the deaf shall hear thy voice,*

*And the silent tongues their high hosannas sing.*

*Where the rhododendron blushes on the burly mountain's breast,*

*In the midland, where the wild deer love to roam;*

*Where the water lily slumbers, while the cypress guards its rest,*

*Lo, thy sunny land of promise and thy home.*

*Where the sons of Carolina taught a nation to be free,*

*And her daughters taught their brothers to be brave;*

*O'er a land of peaceful plenty, from the highlands to the sea,*

*May thy banner, Alma Mater, ever wave.*

## Nondiscriminatory Policy

Meredith College admits women students of any age, race, creed, sexual orientation, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the College. It does not discriminate on the basis of race, color, national origin, religion, sex, disability, veteran's status, sexual orientation or age (as defined by the Age Discrimination in Employment Act) in administration of its educational policies, admission policies, scholarship and loan programs and other school-administered programs. Furthermore, it does not discriminate in admission or access to its programs and activities on the basis of disability as defined by Section 504 of the Rehabilitation Act of 1973. The vice president for business and finance at Meredith coordinates the College's nondiscriminatory policy on the basis of disability.

## Right to Amend

The College may amend, change, terminate and/or make exceptions to the policies as it may determine in its discretion at any time.

## Catalysts for Change

Meredith students are known for their ability to recognize opportunities for growth and then, through leadership and service, to become catalysts for change in the community. From the newly-built Meredith Habitat house to the highly-successful "Campaign for a Greener Meredith," Meredith students have a proud legacy of being agents of positive change.

The 2009-10 campus theme "Catalysts for Change" will build on that history as, together, we explore what it means to be a catalyst for change. The rapid rate of change in the world offers rich opportunities to those who are prepared to act. As an educational institution, Meredith can empower all of its students and other members of our community to see themselves as potential catalysts for change, and give them the tools they need to help make the positive future they envision a reality.

Weekly quotations related to the campus theme are included in the calendar to help inspire the campus community.

# honor system

Founded on the premise that dishonesty has no place at Meredith, the Honor System demands personal integrity of each student. The Honor System is operated by the student body. Students are personally responsible for their own conduct and obligations to the Meredith community. Additional Information about Honor Code violations, sanctions, residence hall hearings and appeal processes may be found online at [www.meredith.edu/handbook/honor.htm](http://www.meredith.edu/handbook/honor.htm). For more information on the Honor System at Meredith, contact the Dean of Students Office.

## Statement of Honor

We, the Meredith Community, are committed to developing and affirming in each student a sense of personal honor and responsibility. Uncompromising honesty and forthrightness are essential elements of this commitment. The Honor System is a method by which individual honors are protected and maintained. Any dishonorable action will be regarded as a violation of this commitment, and corrective action will be taken.

If I am in violation of the Honor Code, to prevent jeopardizing the Honor System or weakening our system of self-government, I have an obligation to report myself to the proper authorities. If I am aware of a violation of the Honor System by another student, I shall call this matter to the attention of that student as a violation of responsibility to the community.

In choosing Meredith College, I am accepting the Honor System as a way of life. As a Meredith student, I am responsible for insuring that the Honor System is at all times carried out.

## Honor Pledge

I do solemnly pledge my honor that as long as I am a student at Meredith College, I will faithfully uphold the principles of the Honor Code and will respect and observe the procedures and requirements of the Honor System. I also pledge my support to our system of self-government, an integral part of our way of life at Meredith College. I make this pledge in view of my fellow students thus signifying our high resolve to keep our honor forever sacred and our self-government forever strong.

Enrollment is not complete until a student has signed the Honor Pledge.

## Reporting a Violation of the Honor Code

### *Self-referral*

If a student realizes that she has violated the Honor Code, she is encouraged and expected to report herself in a timely manner to the solicitor general.

### *Report by another student*

If a student witnesses or suspects that an infraction has occurred, she has two paths she may follow. In a timely manner, she may confront the suspected student, or she may refer her suspicion directly to the solicitor general or residence life staff.

### *Report by a member of the faculty or the administrative staff*

If a faculty or staff member suspects a student of an Honor Code violation and is able to ascertain the facts of the case, it is that faculty or staff member's responsibility to inform the student and request that she report herself within 24 hours to the solicitor general or the dean of students. Should the student not make the report, the faculty or staff member should do so.

### *Report by Campus Police*

All Campus Police reports are submitted to the office of the Dean of Students and, when necessary, may be reviewed by the Solicitor General. If the Solicitor General determines that the Honor Code has been violated, she will contact the student.

## Good Social Standing

A student is considered to be in good social standing with the College if she has no pending Honor Council case, if she completes by the deadline any educational sanction given by Honor Council, and if she is not serving a term of probation, suspension or delayed graduation.

## Honor System Records

Honor Council, Review Board and Residence Hall Hearings Committee records are maintained by advisors and chairs of each branch. Official records in the Office of the Dean of Students are kept ten years after completion of a penalty (Exception: records of expulsion are on permanent file.)

## Jurisdiction of the College

Students are expected to maintain at all times a high standard of personal conduct in keeping with Meredith principles. The College reserves the right to suspend, expel or to exclude at any time any student whose academic standing or conduct is regarded by Meredith as undesirable or unacceptable.

# academic information

Meredith's curriculum begins with an innovative general education program that gives every student a firm foundation in interdisciplinary study, world citizenship and scholarly research. To build upon that base, Meredith students may choose from more than 45 majors. For more details, contact the Office of the Vice President for Academic Programs, consult your advisor, read the undergraduate or graduate catalog or visit [www.meredith.edu/academic.htm](http://www.meredith.edu/academic.htm).

## Academic Probation/Suspension

To continue enrollment at Meredith, students are expected to maintain satisfactory progress toward graduation. Satisfactory progress means maintaining at least the minimal expected quality point ratio or grade point average (QPR or GPA). A student is considered to be making minimal progress if she has earned at the end of any semester the appropriate quality point ratio indicated below:

<i>Total Hours Attempted</i>	<i>Minimum Expected Meredith QPR</i>
1-16	1.500
17-25	1.700
26-59	1.800
60-89	1.900
90 and above	2.000

If a student fails to achieve minimum progress, she will be placed on academic probation for the following semester. A student on academic probation who does not meet the minimum QPR (GPA) at the conclusion of the spring semester will be suspended for the following fall semester (See College catalogue for further information).

## Class Attendance

Each student is expected to be regular and prompt in her attendance at all classes, conferences and other academic appointments. Regular attendance is vital for the student, the professor and her classmates to benefit from sharing and thinking in the classroom. Each student must accept full responsibility for class preparation, announcements and assignments missed because of absence.

The student is responsible for contacting her professors regarding any absence. The faculty will be notified by the Office of the Dean of Students in the event of a death in the student's immediate family (parents, spouse, siblings, children) or the hospitalization of a student.

The effect of class attendance on the grade will be clearly specified in writing by each instructor at the beginning of the course.

## Classification

Students are classified according to the following number of credit hours:

<i>Freshman</i>	<i>1-25 hours credit</i>
<i>Sophomore</i>	<i>26-59 hours credit</i>
<i>Junior</i>	<i>60-89 hours credit</i>
<i>Senior</i>	<i>90-above hours credit</i>

## Exams

If a student's semester exam schedule includes more than two exams within a 24-hour period, she may request to reschedule the third exam. For more information, see page 5.

## Grade Point Average

Each student has her grade averaged in two ways: a Meredith average and an overall average. Each semester hour with a grade of A carries four quality points; B, three; C, two; D, one; F, none. The grade point average or quality point average is calculated by dividing the number of quality points earned by the number of semester hours attempted, whether passed or not. A course that is repeated does not count toward additional hours attempted in calculating the quality point ratio. (Also, see Academic Probation/ Suspension)

## Grading System

Each course receives one official semester grade, an evaluation of the entire work of the student during the semester. Grades are made available to the student through WebAdvisor. For further information on the grading system see "Grading System" in the College catalogue.

## Leave of Absence

A currently enrolled student may request from the Office of the Registrar a leave of absence for up to one year without having to apply for readmission as long as she is in good academic, social and financial standing at Meredith. See the College catalogue.

Except in an emergency situation, the leave of absence must be requested in writing prior to departure from the College and no later than the last day of classes if a student does not plan to complete the semester. If a student should decide to take college work elsewhere while on leave, she must apply for visitation credit through the Office of the Registrar at Meredith. A student on leave of absence who does not re-enroll within the allotted leave time will be officially withdrawn from the College. After any withdrawal or noncompliance with the leave policy, a student must follow the readmission procedure

described on the Office of Admissions web site.

A student is in good academic standing if she will not be on academic probation at the end of the term in which she applies for the leave of absence. She is in good social standing if she is not on social probation and if there is no Honor Council case pending that would involve probation, suspension, delay of graduation or expulsion. To be in good financial standing, a student must have paid all tuition, fees and other charges in the accounting office, and return her laptop.

## Plagiarism

Plagiarism is the dishonest use as one's own of another's words, thoughts, ideas or organization. Honest work in no way precludes using another's work; it simply requires that in all instances such use be properly acknowledged.

Plagiarism results when a student copies from another student's paper or from books and other print or online sources and fails to acknowledge such borrowing.

Whether source materials are quoted directly or are paraphrased, all such borrowing must be acknowledged clearly in the final paper or oral report through the use of footnotes or source tags.

If a student discovers that she has made a mistake in acknowledging sources in a paper already submitted, she should make this error known to her instructor.

***A plea of ignorance will not be accepted as an excuse by the Honor Council.***

As the educational purpose of papers differs from classroom to classroom, it is the joint responsibility of the instructor and the student to clarify what constitutes plagiarism in keeping with the purposes outlined for a particular paper. Each instructor should state specifically the extent and limits of available sources a student may employ in writing her paper. A student who is uncertain about an assignment and sources to be used should consult with her instructor for clarification before completion of the paper.

*(Please note that the use of one's own old high school or collegiate papers is discouraged, but if used, must be acknowledged as a source.)*

## Progress Report

Midway into each semester, instructors provide the Office of the Registrar with progress reports for those students whose performance in class indicates work below a "C" average. Not a permanent grade, this report is an indication of the student's progress thus far in the current semester. The student and her faculty advisor are notified of the grade in October for the fall semester and in March for the spring semester. Midterm grades are available on WebAdvisor.

## Records, Access to

FERPA, the Family Educational Rights and Privacy Act of 1974, is a federal law requiring Meredith College to protect the confidentiality of student educational records. Meredith College has adopted the policies outlined below to comply with the law, inform students of their privacy rights, and to maintain the protection of student educational records.

Meredith College will comply with FERPA to protect student educational records from unauthorized access.

Detailed information regarding FERPA and student records is at [www.meredith.edu/handbook/academic.htm](http://www.meredith.edu/handbook/academic.htm) or in the Office of the Registrar, 1st Johnson Hall.

## Transcripts

Students may receive official copies of their college transcripts from the Office of the Registrar. The student's signature is required before a transcript can be released. Requests cannot be accepted by phone. All services in the Office of the Registrar are contingent upon satisfactory College accounts and other College obligations.

## Withdrawals

If a student wishes to withdraw from the College and terminate her enrollment, it is her responsibility to have a conference with a staff member in the Office of the Dean of Students. If receiving financial assistance, she must also meet with the director of financial assistance. If she is enrolled in the laptop program, she must return her laptop to Technology Services in the Noel House. Any student withdrawing must complete the withdrawal form and leave her official college records and obligations in good standing. Students over the age of 23 withdrawing will meet with an advisor in the 23+ Program instead of meeting with the dean of students. Students enrolled in the teacher licensure program withdraw through the School of Education. See the College catalogue.

A student withdrawing from the College after the last day of classes in a semester will receive grades for that semester. A student withdrawing from the College who has a pending Honor Council case is expected to complete the necessary procedures with the Honor Council before leaving the College.

Upon completion of withdrawal, a resident student will be expected to complete proper check out, vacate her room, and return her room key to her residence director within forty-eight hours. **NOTE:** If there is any room deposit refund due the student, it will be mailed later from the business office.

When a student decides to return to Meredith after withdrawing, she applies for readmission through the admissions office.

**NOTE:** See Leave of Absence, page 115, for temporary withdrawal.

# student opportunities

There are more than 90 organizations and clubs on Meredith's campus offering a variety of opportunities for participation and leadership, and addressing most students' interests, e.g., academics, politics, honors, service, religion and professions. In order to be a member of a Meredith College student organization and to hold office, a student must currently be enrolled in at least one credit hour at Meredith College. Constitutions of all organizations are maintained in the Office of Student Activities and Leadership Development. Full privileges of an official Meredith student organization include an organizational account, access to reserving space on campus, an email account, a roster list, participation in the activities fairs, and access to all services related to publicity on campus. Students who are interested in starting a new organization at Meredith should speak to the SGA Senate chair or visit the Office of Student Activities and Leadership Development to obtain a copy of the Guidelines and Procedures for Establishing New Organizations at Meredith.

## Student Government Association

As early as 1905, Meredith took an important step forward when it introduced student government, apparently the first college in the state to do so, and one of the first in the South (Mary Lynch Johnson, *A History of Meredith College*). Since that time Meredith students have held an integral role in the shaping of the policies, philosophy and tradition of the College.

Executive, legislative and judicial branches comprise the basic structure of the current Student Government Association, with numerous boards and committees completing the structure.

The purpose of the association shall be to promote, in cooperation with the administration, the general welfare of the student body; to promote by example and precept scholarship, citizenship and integrity; to act as a liaison among students, alumnae, faculty, staff, administrators and trustees; to serve as the official advocate of the students; to receive and investigate student grievances; and to encourage students to become active participants in self-governance. See the Constitution of the Student Government Association and By-Laws at [www.meredith.edu/handbook/constitution.htm](http://www.meredith.edu/handbook/constitution.htm) for detailed information.

All Meredith undergraduate students are members of the Student Government Association and are encouraged to become involved in all its functions. Student involvement is crucial to the effective governance of the campus and vital to the educational process

of each student. Each student has a voice in this government through participation in the election of officers, interaction with her class representatives on each branch of the government, self-involvement in the various branches, and an open-communication policy with student government officers. Opportunities for student leadership and involvement are open to all students through campus elections and membership on numerous boards and committees. The elections schedule and detailed information about positions and elections can be seen at [www.meredith.edu/handbook/constitution.htm](http://www.meredith.edu/handbook/constitution.htm)

# traditions and annual events

## Alice in Wonderland

Once in every college generation since 1924, the faculty performs Lewis Carroll's *Alice in Wonderland* for the students. Students are hard-pressed to identify their elaborately costumed instructors who act out this literary fantasy. The next performance is scheduled for early 2012.

## Awards Presentations

Each year as the spring semester comes to a close, Meredith celebrates the achievements of its outstanding women at an annual Academic and Leadership Awards program. College-wide academic and leadership awards are presented to outstanding students.

In addition, many departments and schools host awards ceremonies scheduled during the second semester. A number of those events, as well as the Undergraduate Research Conference, are held on a day of "Celebrating Student Achievement," a tradition begun in 2003 through the cooperation of the Divisions of Academic and College Programs.

## Bathtub Ring

Three members of the Class of 1970—Betty King, Ayn Sullivan, and Peggy Timmerman—founded The Bathtub Ring singing group in the spring of 1968 and first performed for Phi Luau during Rush Week. Their blend of rebellion against and honoring of Meredith traditions has made The Bathtub Ring a perennial favorite at Cornhuskin' and other campus events. Membership is by audition, and selections are made by The Bathtub Ring from Phis who are members of even-year classes.

## Big Sister-Little Sister Classes

The Big Sister-Little Sister program forms lasting relationships that help underclass students adjust to College life. Freshmen may choose to be assigned a junior to be her "big sister" until the upperclass student graduates. Throughout the year, sister classes participate in events such as ice cream socials, skating parties, pizza parties and class serenades. The culmination of the two classes' years together is Class Day on which the members of the sophomore class honor their big sisters. (See also Odd and Even Classes and Class Day Activities).

## Bonfire

After the senior picnic at a grudge bonfire, each senior burns any article representing what she has most disliked at Meredith. Her memories of Meredith are, as a result, only meant to be pleasant ones.

## Class Colors

The colors of all odd classes are blue and white until their junior year when they adopt rainbow colors. Leap year classes' colors are purple and gold. Even classes use green and white.

## Class Day Activities

Sophomores honor their senior big sisters, and the seniors highlight their College years during the Saturday of Commencement Week.

The little sisters spend the morning constructing two 75–100 foot daisy chains to be used for the afternoon's Class Day exercises in the amphitheater. The white-clad sophomores hold two daisy chains and sing as their sister class marches through the chains. Class historians recall and depict key events of the graduating class' four years at Meredith. The sophomore and alumnae sister classes sing traditional songs to the seniors.

At the conclusion of Class Day, the chains form the class numerals of the graduating class. The seniors then go onto the island, form a circle and celebrate with their classmates.

## Class Events and Activities

Each class participates in a variety of annual events. Senior events include a celebration night of the days remaining until graduation based on the class's graduation year, a senior picnic and baccalaureate. Seniors also have the privilege of painting the tunnel below Wade Avenue each year. In the fall, the junior class sponsors a Ring Dinner. At the dinner, juniors celebrate the wearing of their class rings. The sophomores sponsor a Guardian Angel Dance in the fall and Tea for Two in the spring as well as a Charming Evening. Freshmen participate in the Fire and Water Dinner in April.

## Class Ring

The Meredith Class Ring was designed by Ann Lovell, '54, in 1953. The ring is an oval onyx ring surrounded by silver or gold with the Meredith seal engraved on the onyx and oak leaves impressed on the band. As an undergraduate, a student wears the ring on her finger with the seal pointing toward her. At graduation she turns the ring around so that the seal "faces the world." Degree-seeking undergraduate students who have completed 60 hours of coursework (typically the first semester of the junior year) are eligible to purchase the ring. Sales are coordinated by the Meredith Supply Store.

## College Colors

The Meredith College official colors are maroon and white.

## College Flower

The Meredith College official flower is the iris. Loleta Kenan Powell, '41, developed the "Meredith Hues" iris planted around the fountain, near the Cate Center, near the Alumnae House and at other locations around campus.

## Cornhuskin'

In the fall, each class presents for competition a skit word parade, a tall tale, songs and a hog-calling skit, all of which are related thematically. The four classes are judged on these performances as well as on apple-bobbing, cornhuskin', can art, class attendance and sweatshirt design. WINGS students and faculty also participate in the night of fun. The Meredith Pride Spirit stick is given by MRA to the most spirited class. All of these activities comprise the official Cornhuskin' festivities. Additional activities scheduled throughout the week include Big Sis/Lil' Sis Bonfire, Scavenger Hunt, the President's Raid, hall raids and Cornhuskin' parade. Cornhuskin' is sponsored by the Meredith Recreation Association and usually occurs during the first week in November. Cornhuskin' rules are available in the Office of Student Leadership and Service.

## The Crook

Each spring the seniors hide a wooden crook from the juniors. The juniors, aided by enigmatic clues, spend a week searching the campus for this stick and very rarely find it.

If the crook is found, it is brought into Class Day with a black ribbon. If it is not found, the crook is brought into Class Day with a ribbon of the Senior class colors. Crook Hunt rules are available in the Office of Student Leadership and Service.

The event was begun in 1906 when the crook was presented by an instructor to the seniors. This elaborate hide-and-seek has been staged annually since it was revived in 1929.

## Founders' Day

Each year, a day is set aside for Meredith to honor its founding on February 27, 1891. Founders' Day is marked by a convocation address and remembrance of Thomas Meredith, Baptist leader and advocate for women's education. The College's name was changed in 1911 from Baptist University for Women (Baptist Female University, 1891-1905) to honor his work in founding the College.

## Meredith Mascot

During the fall semester of 2007, the College launched the Avenging Angels as the official Meredith athletic mascot.

## Odd and Even Classes

The four classes are divided into odd-numbered and even-numbered years. "Them Bones" is the song of the odd-numbered year and "Hail to the Even Spirit" is the song of the even-numbered year. On Class Day, members of the odd classes wear black gloves on their left hands and give their little sisters wish bone charms to wish them luck. The even classes give their little sisters bags of sticks and stones "to protect them from the Odd Spirit's bone."

## The Oddballs

The Oddballs is a spirit group of four very enthusiastic students in an odd class. To be an Oddball, a student must be a member of an odd class and audition at the end of her sophomore year. Upon being selected as an Oddball member, a student will be inducted into Oddball status at the following Class Day, held the day before graduation. The Oddballs entertain, if asked to do so, by doing cheers and other amusing stunts at Cornhuskin' and other special events.

## Spring Fling

The Meredith Entertainment Association sponsors Spring Fling each spring. Spring Fling is traditionally held outdoors and includes a band, amusements and food.

## Spring Formal Dance

The freshman, sophomore and junior classes sponsor a formal dance in the spring in honor of the senior class. Seniors attend the dance free of charge. All students are welcome.

## Stunt

The Meredith Recreation Association (MRA) has sponsored this event of class rivalry since 1915, its form changing from original plays to a variety of recreational competitions. Stunt promotes class unity through class competition, creativity and fun. Points are awarded for each event and are used in determining the overall winner of Stunt. Recent events in Stunt have included bat spin, tug of war, lip sync, balloon toss, limbo, egg toss, sponge toss and a three-legged race. The event usually occurs in mid-April. Rules for Stunt are available in the Office of Student Leadership and Service.

## White Iris Ball

The Meredith Entertainment Association sponsors the White Iris Ball, a semi-formal dance held off campus each fall for all students.

# security, safety and emergency procedures

## Security—Shared Responsibility

Although the College takes seriously the need to provide a campus that is as safe as possible, each student must assume responsibility for her own personal safety. No environment can be assumed to be totally safe, so each person must be constantly alert to her own safety and that of her peers.

The best defense is a good offense. To increase personal safety and security, students are advised to take the following precautions:

- Be aware of your surroundings. Avoid dark areas and look for and report suspicious activity.
- Avoid walking alone to and from the outer parking lots after dark.
- Travel with a companion whenever possible.
- Resident students should keep their doors locked while not in their rooms.
- Lock doors to cars, residence hall rooms, etc. Close and lock ground level windows. Do not leave the outer doors to residence halls or apartments propped open.
- If you decide to go out alone with a casual acquaintance, make sure to know that person's identity. You should also tell a friend where you are going and who will be accompanying you.
- Avoid parties where drugs or excessive use of alcohol is obvious.
- Set limits and communicate them clearly. Understand your right to say "No!" at any time and have that decision respected and obeyed.

## Campus Closing Hours

Campus closing hours are 1 a.m. Sunday through Thursday, and 2 a.m. Friday and Saturday. As an ad-

ditional security measure, Meredith is closed to the public at 10 p.m. daily. At this time all cars, except those belonging to apartment residents, entering the campus must stop at the gatehouse. Only those cars with justifiable reasons may continue onto campus.

For residence hall students and students entering campus after 10 p.m. each night:

- Meredith students present Meredith ID or driver's license to security at the gate house. Students are encouraged never to leave campus without their Meredith ID. Any student returning to campus after hours without her Meredith ID will be fined \$5.
- Persons other than Meredith students must present their drivers' license, which will be retained by campus police until they leave campus. No one will be allowed to enter campus without proper identification.
- Cars proceed to appropriate designated campus location.
- If the driver of the car is a Meredith student, she proceeds to her designated parking lot.
- If the driver is not a Meredith student and is dropping off a Meredith student, s/he proceeds to the residence hall of the Meredith student(s); drops off passenger(s); returns immediately to gatehouse to reclaim ID; exits campus.
- Meredith student(s) proceed(s) to the entry door of the residence hall.
- The Faircloth gate will be locked nightly at 10 p.m. and opened at 6:45 a.m. During holidays and other specified times, the Faircloth Gate may be locked earlier in the day or remain locked all day.

All campus classroom buildings will normally be opened at 7 a.m. and locked at 11 p.m., during school periods. At 11 p.m., a Meredith student who

## Campus Emergency Procedures

- Call Campus Police by dialing 8888 on a campus phone (or 760-8888 on a private phone).
- Residents also should call their residence director or the residence director on duty. The RD on duty can be reached at 612-6350. Call Campus Police at 8888 if there is no answer.
- Campus police and security officers are trained in first responder care. Medical emergencies should be reported to Campus Police (8888) immediately.
- If at any time you believe it is necessary to call for the Emergency Medical Service, call the Campus Police (8888), so they can direct EMS to the site of the emergency. The person receiving the services of EMS will be responsible for all fees.

is in a classroom building may remain there if she has her Meredith ID in her possession, reports her specific location to Campus Police (8888), and is accompanied by another Meredith student at all times. (All students are encouraged to work with a partner anytime they are in a classroom building after dark.)

It is the student's responsibility to ensure that any door she exits locks behind her.

This schedule applies only during the regular academic calendar (holidays excluded) and does not include the swimming pool or the library. Check at those locations for current hours.

- Johnson Hall is open at 7 a.m. and locked most evenings at 6 p.m.
- The Faircloth Gate is opened at 6:45 a.m. and locked each evening at 10 p.m. During holidays and other specified times, the Faircloth Gate may be locked earlier in the day.
- Residence halls are locked 24 hours daily. Access is by Meredith CamCard at specified doors. Check the College calendar for special lockup times related to holidays.

Students may only enter and exit residence halls via doors with CamCard readers.

## Card Access to Residence Halls

In an effort to provide as secure a living environment as possible, all residence halls are locked 24 hours daily. Students access the building through specially-equipped doors using their CamCards. Students must exercise utmost care to protect their CamCards and immediately report any lost or stolen card to the CamCard office. Students pulling on doors in order to gain entry and breaking the lock will be subject to judicial action. Check the College calendar for special lockup times related to holidays.

**Important—Please Note:** Any student returning to campus after hours without her Meredith ID will be fined \$5. She will have 72 hours in which to appeal her fine to security before the charge is forwarded to the Accounting Office.

## Access to Apartments

The apartment building main doors will be open for resident and guest access. Exterior doors and interior hall doors will be locked 24-hours a day and can be accessed with a student's CamCard.

## Minor Illness or Injury to Students

During the regular academic year, students with minor illness or injuries should be referred to the Health Center, 760-8535.

Illness or injury to resident students during hours when the Health Center is closed should be reported to

the resident director or resident director on duty. If a resident director cannot be located, notify the campus police department of the student's illness or injury.

## Emergency Notification Systems

Meredith College has several methods of notifying students, faculty and staff in the event of an emergency.

### Emergency Notification through Voicemail, Email and Text Messaging

In the spring of 2008, Meredith College launched MC Alert for rapid emergency notification. This system allows Meredith to convey time-sensitive information within minutes, through a single phone call.

With MC Alert, Meredith can schedule, send and track personalized voicemail, email and text messages for all members of their community. These messages are sent via four different modes of communication:

- Voice messages to home, work and/or cell phones
- Text messages to cell phones, PDAs and other text-based devices
- Written messages to e-mail accounts
- Messages to receiving devices for the hearing impaired.

## Campus Alarm Warning System

Meredith has a siren warning system that allows the College to issue warnings for incidents involving safety and security issues. This system has both alarm and voice warning capability.

## Theft of Personal Property

Students who experience a theft or loss of personal property should alert Campus Police as soon as possible. Meredith is not responsible for the personal property of students. Families are encouraged to make sure that homeowner's insurance policies cover the student's residence hall or apartment property. If a student has evidence that another student is responsible for the theft, she should alert the campus police and solicitor general of the Honor Council.

## Snowstorm Safety

Use common sense when enjoying the snowfall, and consider your own safety and that of others.

1. Stay away from windows and doors in the event of high winds and falling limbs.
2. Do not attempt to drive on campus.
3. Listen to the radio or TV regarding the closing of classes or call the Meredith inclement weather number, 832-8878.
4. In case of power failure, see your residence life or apartment staff for instructions.

# Fire Emergency Procedures

## In case of fire:

### *If YOU discover the fire:*

- Activate the nearest alarm.
- Get out of the building immediately if fire is threatening.
- Alert Campus Police at 8888. Also alert residence director for a residence hall fire or apartment manager for an apartment fire.
- If it is a small fire, use a fire extinguisher.
- If it is a large fire, exit the building.
- Before leaving a room, check the doorknob to see if it is hot. If hot, do not open; go to the window and wait for the firefighters to rescue. Do not try to jump or climb down. (With the door closed, you are not in immediate danger).
- If smoke is beginning to fill the hallway as you evacuate, grab something to help filter the smoke. If you get caught in heavy smoke, crawl to the nearest exit.
- If fire blocks your nearest exit, go immediately to the next closest exit.
- If evacuating a residence hall, meet the resident assistant at the evacuation meeting point; if evacuating the apartment building, meet a staff person outside the building at the designated meeting point.

## During a fire drill:

### *Students*

- Close windows.
- Turn off all lights except overhead.
- Close door when leaving.
- Walk rapidly (do not run) out of the building. The first person to reach the door should hold it open for others.
- When evacuating a residence hall, meet the resident assistant at the evacuation meeting place. If evacuating the apartment building, meet a staff person outside the building at the designated meeting point.
- Wait for the signal to return.

*Please Note: Students should be aware that it is against the law to activate a fire alarm when there is no fire.*

## Information for resident students regarding procedures during fire drills or real fires:

### *Residence Hall Association*

Coordinates check of fire alarm equipment with the director of residence life and campus police during the first week of school.

- Designates the date and time for the drill (first drill must be held during the first two weeks of each semester) and announces it at the regular meeting

of the Executive Board.

- Explains procedure to the residence hall presidents.
- Informs security, RD on duty, nurse in the Health Center, and dining hall manager (if drill is close to dining hall hours) prior to the fire drill.
- Informs the director of residence life of the fire drill.
- Designates outside evacuation meeting places for each hall to line up in single-file line.

### *Residence Hall Presidents*

- Conduct fire procedures training for resident assistants, fire marshals, and residence directors.
- Locate fire alarms for the residence hall; know how to operate them and check to make sure they are working correctly (check with the Residence Hall Association chair). Check fire extinguishers on each hall of the residence halls periodically to see that they are functional.
- Inform residence director of the date and time of the drill.
- Make sure resident assistants have chosen fire marshal suites.
- Inform the hall of designated outside evacuation meeting place for hall residents to line up in single-file.
- Sound alarm at the designated time and move to designated evacuation meeting place.
- Receive reports from resident assistants.
- Relay any necessary information to residence directors, security and firefighters.
- In a fire drill, at the signal of the Residence Hall Association chair, deactivate the alarm to signal the end of the drill.

### *Fire Marshal*

- Check rooms to make sure all students are out and make note of any locked doors.
- Knock on locked doors and remove their card.
- Close windows and turn off overhead lights in each room.
- Close doors to each room.
- Go directly to the resident assistant and report that all rooms are clear and give her the cards pulled from doors.

### *Resident Assistants*

- Move quickly to the evacuation meeting point.
- Receive reports from fire marshals and account for all students on the hall using hall roster.
- Report to the residence hall president evacuation times and problems (in real fire, i.e., the possibility of students still in building, etc.). Remain at the assigned position until instructed to return to the residence hall.

### *Residence Hall Association Chair*

- Records the time of each residence hall's departure.
- Receives reports from the residence hall presidents regarding evacuation after the fire drill.
- Keeps careful records of all fire drills and forwards

copies of these records to the director of residence life.

### **Apartment Residents**

Students residing in on-campus apartments will receive specific fire safety information at check-in.

### **Fire Alarm System Policies**

Students should be aware that it is against the law to activate a fire alarm when there is no fire. It is also against the law to tamper with fire safety equipment.

### **Fire Drill Policy**

Fire drills are held frequently for the safety of all students. Any student who does not leave the residence hall during a fire drill will be subject to a maximum penalty of \$50. Repeated failure to cooperate in the fire drill procedures will result in judicial action.

## **Hurricane Safety**

Unlike a tornado, a hurricane usually allows adequate warning of a strike, and you can adequately prepare to evacuate or secure belongings.

1. Cooperate with staff and Campus Police. They will direct you.
2. Have a battery-operated radio available to listen to for information regarding the storm.
3. Keep windows and doors closed.
4. Unless otherwise instructed, stay inside the residence hall.
5. Move to the first floor if necessary.
6. See your residence hall staff for further instructions.

## **Tornado Emergency Procedures**

Campus police and the dean of students have weather alert radios that emit an audible signal if the national weather bureau has issued a warning for our immediate area. Staff members will sound the alarm for an alert.

A tornado watch means tornados are possible. A tornado warning means that a tornado has been sighted in the warning area.

### **If a tornado watch is issued, prepare to protect yourself:**

1. Keep the radio or TV tuned to weather announcements.
2. Keep a flashlight nearby in case the power goes out.
3. Be alert for changes in the weather.
4. Be prepared to move to a safe shelter.
5. See your residence hall staff for further instructions.

### **If a tornado warning is issued, or if you see or hear a tornado coming, don't wait:**

1. Proceed quickly and quietly to the first floor hallway, a safe area. THEN STAY INSIDE!

2. Make sure all first floor doors are closed for safety.
3. When in a safe area, crouch on your knees, head down, and cover your head with your arms.
4. Stay out of large glassed areas and away from windows.
5. Cooperate and accept direction from staff and campus police.
6. See your residence hall staff for further instructions.

### **Know these tornado danger signs:**

**Bad Thunderstorm:** thunder, lightning, hard rain, strong winds.

**Hail:** bullets of ice from a dark, cloudy sky.

**Funnel:** a dark, spinning rope or column from the sky to the ground.

### **In the event of a tornado alert, students must follow the following procedures:**

- Go immediately to an interior first floor hallway or basement. Avoid areas with wide, free-span roofs such as the gymnasium.
- Close all first floor doors for safety.
- Move as far away from windows and outside doors as possible.
- Take shelter underneath a desk or any heavy furniture available.
- Sit down on the hallway floor with your head between your knees and cover your head with your hands.
- Remain in this position until danger is past.
